LOG

Foreword

We, the **Maple Log** staff of 1948, present this annual with the idea of conjuring to the reader the aim and purpose of our school. In retrospect, we are aware of the fine standing held by the school in previous years. It is our desire to uphold this record between the covers of this book.

You will see pictures of Maplewood in all of the seasons and you will notice the many activities that are carried on throughout the year.

With no further explanation, we present you with the **Maple Log** of 1948.

Dedication

Because of their faith in us and because they have granted us the privilege of attending a Christian Academy, we, the students of Maplewood, are happy to dedicate our 1948 **Maple Log** to the parents of every student attending this academy.

We want to dedicate ourselves to the furtherance of God's work by pressing forward in the educating of our minds while we are here at Maplewood. We are thankful to our parents for their sacrifices made to send us here.

To show our appreciation we dedicate our 1948 **Maple Log** to those who mean so much to us—Our Parents.

Begin Today

*So brief a time we have to stay
Along this dear, familiar way;
It seems to me we should be kind
To those whose lives touch yours and mine.*

*The hands that serve us every day,
Should we not help them while we may?
They are so kind that none can guess
How soon they'll cease our lives to bless.*

*The hearts that love us, who may know
How soon the long, long way must go.
Then might we not their faults forgive
And make them happy while they live?*

*So many faults in life there are
We need not go to seek them far;
But time is short and you and I
Might let the little faults go by.*

*And seek for what is true and fine
In those whose lives touch yours and mine;
This seems to me the better way
Then why not, friend, begin today.*

Winners Be Announced

The final day of the Northern campaign had come! But instead of the usual cheerfulness in the school, all was dark. The shades were drawn, and a picture was shown upon the screen. It was that of a bed of flowers, and under the flowers was a picture of a man. The picture was of a man, and the picture was of a man.

Hearsay tells us that many of the graduates of the Maplewood Academy are now in the United States. The graduates are now in the United States, and the graduates are now in the United States. The graduates are now in the United States, and the graduates are now in the United States.
