Bread Of Life

Break Thou the bread of life,
Dear Lord, to me
As Thou didst break the loaves
Beside the sea.

The weekend religious services at Maplewood are always an inspiration to the students and faculty, and this year is no exception. Our first Vesper service of this school year was conducted by Elder Butherus, who used Ps. 37:1-11 as a basis for his talk. He stated that in order to grow we must help others grow spiritually. An impressive testimony service was held after his talk. Many of the students stood for their Master and gave their testimonials. Our first Sabbath service at Maplewood was conducted by Elder Murphy, our Bible instructor, who always gives us inspirational talks.

Elder V. W. Becker of Minneapolis was our guest speaker for the weekend services September 17-18. In his sermon on Friday night, Elder Becker stressed the importance of making Jesus real in our lives and spending more time reading His Word. In the eleven o'clock service the following day, Elder Becker told us that it is important to find the true value of the problems and issues of life. We should learn how to put a true value on things and to put "first things first." We surely enjoyed Elder Becker's visit, for he gave us all much food for thought in his sermons.

We here at Maplewood appreciate our music for Friday evening vespers, Sabbath services, and the inspirational messages that we hear. We hope that many of you will be able to visit us on Sabbaths throughout the year and share with us the blessings of our Sabbaths.

NEW OFFICERS CHOSEN

The Student Council nominating committee for 1954-55 met on Monday, September 13, and chose the following officers for the new school year: For the Missionary Volunteer society leaders, Myrna Wadsworth and Duane Butherus;

Maplewood's fifty-first year of service to the youth of Minnesota was off to a good start on registration day, September 7. The students came in on Sunday and Monday and Tuesday was a very busy day for all concerned. At the close of the day, 140 had registered for their classes. On the following day, two more students registered. The Junior class is the largest in number — fifty — two. The Sophomore class numbers thirty — seven, the Seniors thirty, and there are twenty-three Freshmen. It is necessary to have two sections of most of the classes for the juniors, because of the large number. The students in the afternoon classes work during the morning hours. Driver education for the juniors and seniors and Physical Education for the freshmen and sophomores are the new classes that have been added this year. Mr. Davis and Mr. McCune are teaching these two classes. Mrs. Butherus is assisting with the teaching this year, and Mrs. Dean Torkelsen is teaching several voice students to assist Mrs. Link. Every teacher and student seem to be busy every day, which all makes for a busy, profitable year at Maplewood.

In the evening of registration day the annual Convocation was held in the Academy chapel with Elder Soper of Mankato as the guest speaker. He urged the students, new and old, to have a purpose in coming to school — a vision — and then be faithful to that vision. He advised us to take Jesus into our confidence as a partner, because He is interested in every young person. Mrs. Sherwood played a piano solo, and Mrs. Dean Torkelsen sang a solo to furnish the special music for the evening's program.

secretaries, Jan Zempel and Pat Judd; Sabbath-school student superintendents, Frances Barnhart and Gerald Gilbert; secretaries for the Sabbath-school, Shirley Aultfather and Judy Verlo; NORTHERNER editor, Ellen Olson; associate editor, Gary Hymel; circulation manager, Clara Roberts; assistant circulation manager, Lane Schmidt; and Business Advisor, Mr. Butherus. The officers were then elected by the Student Association in chapel on Wednesday, September 15.

Northerner Campaign

Once again the students of Maplewood Academy are engaged in that fierce, hard-fought annual battle known as the NORTHERNER campaign. This year the "Sneezers"—the girls—will battle it out with the "Wheezers" of East Hall. Harriet Jones and Dixie Ballew were chosen to lead the girls to victory (or defeat), and the boys will fight under the banners of Knights Burghart and Spencer. Wednesday, September 22, marked the opening of the campaign and October 15 will be the final day. The campaign was officially opened by Gary Hymel, associate editor of the NORTHERNER in chapel on September 22. The "Sneezers" came on the scene with an exciting little skit, featuring a victory for the girls. Bernd Kryzkowski and George Fischer, in a very colorful and realistic skit, impersonated Miss Lothian and Miss Larsen discussing the problem of the girls' chance to win this important battle. Clara Roberts gave the rules of the contest and told about the prizes and then the letter-writing began.

As we go to press, the letters are flying in all directions from Hutchinson. We hope that subs will soon be racing in our directions by the hundreds. Our goal is 800

The first Lyceum for this eventful school year was a lecture by a very famous and enthusiastic naturalist and author, Sam Campbell. Mr. Campbell comes from Three Lakes, Wisconsin, where he and his wife own about 500 acres of land, mostly forest. They set aside this land for the animals and birds to come and go as they please with no hunters nor trappers to scare them away. In this way, they grew to know and love their friends without fear.

Mr. Campbell has written nine books and has given about 8,000 lectures. He estimates that he has had about 7,000,000 people in his audiences. In the first part of his lecture, Mr. Campbell stressed the importance of understanding and knowing animals. He made us realize that animals are individuals as much as man, and that animals have the ability to love or hate. The animal world is what human beings make it. Mr. Campbell then showed a film which had many of the animal characters in it that have been made famous in his books, such as Bob-ette, Inky, Salt, and Pepper, and many others. The beginning of the film was on the different kinds of trees and how to identify them.

The first animal shown was the porcupine in the book, "How's Inky?" It showed how Inky looked when he was first found by Mr. Campbell. We were also shown the characters in the book, "Too Much Salt and Pepper." Seeing the pictures besides hearing about them makes the books even more interesting and realistic. I know every one enjoyed the lecture and will put forth every effort to read all of Mr. Campbell's interesting books. The latest one, "Loony Coon," is being put into the library now. We all realize more fully God's wonderful love as manifested in Nature.

ELDER COON VISITS M.W.

Elder and Mrs. G. A. Coon of the Southern Union visited Maplewood Academy September 20-22. Elder Coon spoke Monday and Tuesday evenings at joint worship, and for chapel on Tuesday and Wednesday. His wealth of experiences, his faith in God, and his enthusiasm made his talks a help and an inspiration to all who heard him. He told of the many promises of the Bible, and how we can solve our problems by simply asking, believing, and claiming His promises. The experiences Elder Coon told

MAPLEWOOD TRAINING

School life at Maplewood Academy has many varied and interesting opportunities for young people to enrich their lives with the best of everything. This is true in many fields of activity and learning. Scholastic attainment is but one of the many advantages we find here.

The text books we now use are among the very best. Our own denomination has prepared a special text in Biology which we can use one-hundred percent. It agrees with the Bible. Our Bible text books are wonderful. The questions and Bible answers have been supplemented with quotations from the Spirit of Prophecy and other sources until every lesson stands out like a masterpiece of truth and beauty. The full-page colored pictures do much to tell the story of God's love for man. In our well-kept library one can find volumes and volumes of excellent readings for almost any purpose.

Boys and girls who are willing to work diligently can learn one or more trades while attending Maplewood Academy. This vocational training is an ideal aid to students. All are benefitted for life by the spirit of self-reliance and cooperation received, as they help themselves by helping the school. Our industrial heads are truly men and women of faith and prayer.

If you could hear your young people sing in our Vested Choir, if you could see and hear them play their musical instruments in the orchestra, then, like those of us who are here, you would thank God for a school in Minnesota where all of these things combine to make their lives beautiful for time and for eternity.

Leon L. Murphy

This school year of 54-55 is going to be just what we make it. The nine short months between registration and graduation are going to be crammed full of events such as open houses, lyceum numbers, semester exams, a banquet, and picnics.

The entire year is before us, so now we can make up our minds just what we intend to do. There are arguments and frictions that are certain to arise in a group of some 170, or so, students and faculty. If we will, however, we can accept these disturbances as natural and forget them, or make mental mountains out of mole hills and carry hurt feelings throughout the rest of the year.

Every one is starting out with a clean slate as far as the school year is concerned. We may forget the mistakes we might have made in the past and strive to do better socially, scholastically and spiritually. If everyone attempts to improve himself in each of these three categories, this year is certain to be enjoyable and satisfying for all.

NURSES VISIT M.W.

Miss Alice Smith, director of the Union College School of Nursing, and two senior nurses arrived at Maplewood on Thursday evening, September 23, for their annual visit. In chapel on Friday, the student nurses — Althea Rea, class of '51, and Elsie Sloop — told about their training at Boulder in an interesting skit. Miss Smith, in her Vespers talk, encouraged us to

believe that God's all-powerful hand is ready to help us in every problem if we give Him a chance. We always enjoy Miss Smith's talks so very much. For Sabbath evening worship, Miss Rea played a flute solo, gave a short talk, and the two girls sang a duet. After worship Miss Smith and the student nurses organized the Nursing Club for the Maplewood students.

Our Roving Reporter

What would you do with a "zapato?"

Sandra Ford: "I would eat it."

Jan Zempel: "I would sell it in the bookstore."

Sharon Odegaard: "I would ride in it."

Darlene Syvertson: "I would put it in my billfold."

Bernice Kerkhoff: "I'd burn it."

Charles Petty: "I'd kill it."

Jeanie Rogers: "I'd put it on my feet and skate."

Jerry Thayer: "I'd make my sister eat it."

Bob Hovland: "Not keep it too long."

Shirley Aultfather: "I would pin it up."

Stanley Trana: "I'd throw it away."

Martha Craven: "I'd put it on a shelf and look at it."

Valda Adams: "I'd bury it."

Hazel Garner: "Have it walk me to the dorm after skating."

Miss Lothian: "I would give it away."

Elaine Fankhanel: "I'd kiss it good night."

"Zapato" means a shoe.

Clublicity

Crescit Eundo:

Another school year has begun and the occupants of West Hall haven't wasted any time beginning their activities for the girls' club. The officers elected for the first semester are as follows: president, Jan Zempel; vice president, Dixie Ballew; secretary, Jeanie Rogers; treasurer, Shirley Aultfather; sergeant-at-arms, Frances Barnhart.

At our first meeting of fun on September 14, we skated in the gym. Carolyn Rhodes led us in the singing of choruses for our worship before we went to the gym. We were served root beer floats for a little treat, and on the back of each spoon the names of our friendship sisters were written.

We are looking forward to many good times this year, and let's make the most of them.

—Jeanie Rogers

Knights of East Hall:

The officers for the boys' club were chosen the second week of school in their first meeting. They are as follows: president, John Morrison; vice president, Duane Butherus; secretary, David Erickson; treasurer, Richard Carlson; pastor, George Fischer; and sergeant-at-arms, Jerry Karr.

Echoes From Music Lane

Music is said to be a gift of God. Many people marveled at the gifts of the Maplewood students as they sang to open the first Friday night Vespers of the school year. Mr. Hill, Maplewood's director of music, played a clarinet solo. Two more of the faculty who presented beautiful music over the weekend were Mrs. Link and Mrs. Dean Torkelsen, singing for our first church service of the year. The Maplewood Vested Choir gave the church service a majestic and religious emphasis as they sang "O Worship the King," to open church. Other students who shared their gifts were Ellen Olson and Jan Zempel.

Our second Friday night Vespers opened with the Madrigals singing "Now Thank We All Our God." One of God's gifts through talent that evening was the vocal solo by Myrna Wadsworth. Again this week the Maplewood Symphonette opened Sabbath school with a prelude of majestic hymns. The choir opened church by singing "Awake, Ye Saints." As Judy Verlo sang for church, we realized the need for accepting Christ into our hearts. Other gifts of talent were Dick Haughey and Dick Jensen.

The music department is growing by leaps and bounds. The choir is exceptionally good and has forty-eight members and the Symphonette has thirty-two members to date. Already the music department students are in demand. Orlo Gilbert played a violin solo for the members of the Hutchinson Kiwanis club. Various groups are going to be presented at the Youth Rally in Minneapolis on September 25. Students and faculty alike look forward to a very successful musical year.

ELDER COON VISITS M.W.

(Continued from Page 1)

gave us renewed courage and inspired everyone to rededicate his life to God's service. We learned that there are 3,573 promises in the Bible, and that by faith we can lay claim to any one of these promises and Jesus will help us solve our problems. Many students received definite help from Elder Coon by stating their problems and receiving a text with a promise in it for them. Thank you, Elder and Mrs. Coon, for your visit.

Down The Aisle

Anderson - Bakemen

At eight o'clock Sunday evening, September 19, Miss Mary Lou Anderson, class of '51, and Kenneth Bakemen of Los Angeles, were united in marriage at the Maple Plain Lutheran church. Lois Thulin - Herrington, class of '51, was matron-of-honor, and the best man was a friend of the groom. Harriet Anderson, class of '54, sang "Oh, Promise Me," and Don Burgeson, class of '45, sang "The Lord's Prayer." Two small cousins of the bride were flower girl and Bible boy. A reception followed the ceremony. The young couple will live in Loma Linda where the bride will finish her nurses' training.

★ ★ ★

Larson - Rushold

Arlene Larson, class of '52, and Carroll E. Rushold, were united in marriage on Sunday evening, August 29, at the Auditorium church in Minneapolis, Minnesota. Mrs. Eric Anderson played the traditional wedding music. Sally Rushold sang "Day of Golden Promise," and "Oh, Perfect Love" as the prayer song. The groom sang the "Wedding Prayer" before marching up to the altar. The bride's attendants were Mary Lou Larson, class of '54, Sally Rushold, and Alice Larson-Pettis as matron-of-honor. The groom was attended by Don Larson, Gerald Pettis, and Norman Burt as best man. Philip Martinson was Bible boy and Carolyn Zima was the flower girl. Elder R. J. Christian performed the ceremony. The reception was held at Plymouth Lodge where 350 guests gathered to wish the young couple happiness. After a wedding trip to the Black Hills, Mr. and Mrs. Rushold are living in Wayzata, Minnesota.

M. V. CORNER

Mr. Norman Baker, pastor-teacher from Maple Plain, was the guest speaker at the first Missionary Volunteer meeting of this year, September 11. Mr. and Mrs. Baker sang a duet to close the meeting.

The subject of the meeting for September 18 was "Temperance." A Nature Club has been organized and the members are getting a vocational honor in "Fungi" at the present time. The Master Guide Club, visitation bands, TV and Radio bands are being organized. We are looking forward to a busy year sharing our faith by being faithful members of the bands of our choice. The officers for this semester have been chosen: leaders, Myrna Wadsworth and Duane Butherus; secretaries, Jan Zempel and Pat Judd.

Shake!

Saturday night, September 11, all the students were asked to meet in the chapel for our annual handshake.

Orlo Gilbert favored us with a beautiful number on the violin, called "Adoration."

Ellen Olson, talking for the girls who had been here in previous years, told how glad they were to be back, after which Bernice Kerkhoff, representing the new girls, told us what a wonderful welcome they received when they arrived.

Sandra Ford then favored us with a beautiful song, "Annie Laurie."

John Morrison, talking for the older boys, and Stanley Trana, representing the newer boys, told how glad they were to be here and hoped that this would be a prosperous school year, and we are sure it will be.

Dick Jensen, Duane Butherus, and Daryl Burghart, then favored us with a trumpet trio.

Now the time had come for the annual handshake. Dean McCune, Frances Barnhart, and Daryl Burghart gave a demonstration of how to shake hands and to introduce. Then we all lined up in the stairway leading to the main hall. After what seemed hours, we finally came to the beginning of the line and met Jerry Gilbert who introduced us to Myrna Wadsworth and then on down the line of faculty members and students. Our hands were really worn out after going through the line of the boys' powerful, manly grips.

We all met at the front of the gym for a wonderfully-planned hike. During the hike we were given "Cheerios." We all appreciate the wonderful time our faculty had planned for us that night, and we know there are more to come.

Chapel Chatter

Chapel services are being held three times a week this year as usual. This year Mr. Haughey was the first regular chapel speaker on September 13. Two previous chapel periods had been used for announcements, chapel seating, and the choosing of the new Student Council nominating committee. In his talk Mr. Haughey advised us to learn to solve our problems — not be like the ostrich who buries his head in the sand when trouble is near. Mr. Bartlett had an interesting subject for his chapel talk on Wednesday, September 15 — "How To Get Something For Nothing." Everything has its price tag in this world, and we need to learn that the worthwhile things in life take effort.

September 17 was "Citizenship Day" and we were happy to have Elder V. W. Becker of Minneapolis as our guest speaker. "Success doesn't come without effort," he said in his opening remarks. Too many people believe in short-cuts and try every conceivable way to take a short-cut to success. "Remember," said Elder Becker, "we don't achieve with effort. Don't try to thumb your way through life or ride on a pass."

On Tuesdays and Thursdays our regular chapel period is given to choir, and those who are not members of that organization have an extra period. We are looking forward to many good chapel exercises this year.

Sports News

On Thursday evening, September 16, a basketball game was played between the juniors and the seniors. The game was deadlocked almost all the way in which the game was finished with a tie of 23-23. The game was an exciting one, with several good players on both teams. Everyone enjoyed it.

The Physical Education classes have been playing some softball on days when the weather permitted it. Some of the boys are practicing some football on the front campus in their spare time; that is, when they aren't flying model airplanes.

FUN IN THE GYM

At seven o'clock on Saturday night, September 18, the students and faculty gathered in the gym for an evening of fun. Mr. Haughey led out in several marches, and then closed that part of the evening with a tag march. The girls' club president, Jan Zempel, then conducted an exciting game in which all the students took part. The boys' club directed two relay races, of which the boys won one and the girls, one. Fair enough! The highlight of the evening's entertainment was the demonstration of a wonder-car, built by Albert Einstein (Jimmie Burr). The remainder of the evening was spent in the favorite sport at Maplewood — skating.

Mary Goike and Darlene Ytredal, both sophomores at Maplewood last year, are attending Campion Academy in Colorado this year.
