Seniors Win Annual Maple Log Campaign

Picture of Winners on Page 3

Mrs. Charlotte Link, voice teacher at Maplewood for the past eight years, passed away at the Swedish Hospital in Minneapolis on January 7, 1955. She had not been well for several weeks, but had carried on her work faithfully until Christmas vacation. She had been at the hospital for ten days and seemed to be improving. Her death came as a great shock to the school family and her many friends. She will be greatly missed at Maplewood as we endeavor to carry on without her.

MRS. CHARLOTTE LINK

In Memoriam

The school family of Maplewood wishes to add their tribute to the memory of Mrs. Charlotte Link. Living as she did at the edge of the campus, her door was always ajar—not only to her private voice students whom she guided so expertly in the mysteries of beautiful singing, but also to any student who had a personal problem and felt assured that she could and would gladly help him. The members of the Hutchinson Seventh-day Adventist church and the student body as a whole all felt the serenity and worshipful atmosphere that she created by her calm presence at the piano each Sabbath morning. As we look across the platform to the now vacant chair, we can anticipate that new and glorious day when she will be seated at that heavenly grand piano—this time helping us sing the song of Redemption in the earth made new. Because of her unique capabilities, we cannot yet realize how difficult it will be for anyone else to assume her responsibilities as a musician, counselor, friend and inspiration that Mrs. Link has been to all. As a school family, we will long remember her eight years of faithful, untiring, and cheerful service at Maplewood.

Charlotte Wall - Link was born March 9, 1885, in Fargo, North Dakota. Her father was serving as mayor of Fargo at the time, and was later elected to the House of Representatives. Mrs. Link received her teaching certificate from Northwestern University, Evanston, Illinois, and later studied voice in New York for two years. In 1913 she was united in marriage to Edward R. Link, and three children were born to this union. The Link family moved to Hutchinson in 1916, where they taught at the Theological Seminary for several years. Later the family was in radio work in various parts of the United States, and also lived in Minneapolis, where the famed "Bob O Links" were originated. A daughter, Virginia, preceded Mrs. Link in death, as did her husband, who died in 1946. Mrs. Link returned to Hutchinson in 1947, and for eight years, was the voice instructor at Maplewood Academy. Her name as a teacher of voice and piano was widespread. Her former students have gained renown in many sections of the world. Mrs. Link was respected by her students, not only for her teaching talents, but also for the counsel and advice that she was always willing to offer. She is survived by two sons: Robert W., of Washington D. C., and Robert F. Link of Minneapolis. Funeral services were held January 10, from the Stevens Avenue church in Minneapolis with interment in the Riverside cemetery in Fargo, North Dakota.

A memorial fund has been set up with funds to be used for the purchase of a new grand piano for the chapel at Maplewood. Anyone wishing to contribute to this fund should send their contribution to Leland Torkelsen, Maplewood Academy, Hutchinson, Minnesota.

On January 7th, B. G. Butherus, our Academy superintendent, spoke to us during Friday evening vespers. He told us that we should stand for our convictions at all costs. We are, just now, forming characters for eternity. We are each day molding our destiny. Was the year 1954 the way we wanted it to be? Did we accomplish our aims? Were any victories won over sin? Most of us will find, upon recollection, that we have accomplished something, but none of us have reached every goal.

We have a new year ahead of us, however, which is like a new clean record sheet ready to record our deeds of the coming year. Are we going to continue in our past mistakes, or will we steadily press onward during this new year so that many victories may be won for Christ?

The following Friday evening, Elder Donald MacIntosh of the Emmanuel church in Minneapolis, told us of how recent archaeologists' findings have supported the Holy Scriptures in every way. The Rosetti Stone, the discovery of the Hittite civilization, and many more discoveries have all served to prove wrong the present day modernists who claim that their theory of evolution is more plausible than the Biblical account of creation. Yes, the very rocks are "crying out" in support of God's Holy Word.

This month's religious services have been very interesting and inspiring. They have given us much courage to face the coming year's Christian endeavors with an aggressive and zealous attitude.

FUN IN THE GYM

After Sabbath vespers January 22, Mr. McCune announced that the Saturday night's entertainment would be in the gymnasium. The senior and junior boys played a basketball game to start the evening off. During the half to give the players a rest, two boys from each class put on their skates and had a relay race. The sophomore boys showed their skating skill and

The MAPLE LOG campaign came to a successful close last Friday, with a bang, a victory for the seniors. Their per capita was 4.79. The juniors were a close second with a per capita of 4.07. The juniors, because their class is so large, really had to be "on the ball" to reach and pass their goal—which they did. There was an air of expectancy as the whole student body and the faculty gathered in the gymnasium for chapel on January 14. The number of subs from each of the classes was counted, and when added together, came to a grand total of 488. We hope to have a bigger and better annual this year because of the wonderful spirit and co-operation that was shown by everyone. The winners were given their prizes for their good work in chapel Wednesday, January 19. The grand prize, a beautiful clock-radio, went to Nathan Walters, who had sold seventeen MAPLE LOGS. The second prize, a fluorescent study lamp, was awarded Duane Butherus for fifteen subs. The third prize of five dollars was won by Shirley Aultfater for ten subscriptions.

DR. YOST VISITS M.W.

Dr. Frank Yost of Washington, D.C., editor of the LIBERTY magazine, and Elder Boyd Olson of Minneapolis visited Maplewood January 11 and 12. Dr. Yost spoke for joint worship Tuesday evening about the forces of evil that are contributing to the passing of Sunday laws. He also gave an inspirational talk in chapel the following morning about the meaning of the cross to the Christian. Many church members and friends of the Hutchinson community attended both services. Dr. Yost is a former teacher of Maplewood, having served here as Dean of Boys, history teacher, and acting principal. He is now one of the Bible teachers at the Seminary in Washington, D. C.

The bakery ovens caught on fire last Friday. Kathy, Fran, and Mrs. Burgeson looked pretty scared for awhile!

The seniors and juniors. The basketball game then continued and, sorry to say, the seniors lost by 12 points. The score was 35 to 47. We skated to close the evening.

Words are a powerful thing. It took only words by a divine being to create the earth. Man, by the wrong use of words, can make God sorry He ever made the earth.

From earliest times prophets have been looked upon as divinely-appointed men, and every statement that they made was listened to and many times written down.

We are Christian people, and worldly people look at us as though we were prophets because we teach the Second Coming of Christ. We are constantly being watched, if not by human beings, by God's angels.

Isn't it true that if everyone was aware of his guardian angel, there would be many homes that wouldn't be broken by gossip, or harsh words spoken in moment of anger? Let us make sure that the words we use are words of kindness, and the kind of words we wouldn't be ashamed of if Christ were standing right beside us. Remember taking the name of God in vain is not the only words that Christ sorrows over. Some unkind words are never forgotten and the scars are never healed. That is one of the reasons why we must be especially careful in what we say, because we may not realize that we are hurting someone, or perhaps make someone take a decision for the wrong. Let us remember that Christ's guardian angel is by us all the time and marking down any words that are sinful. "Speak not but what may benefit others."

"Every morn is a fresh beginning
 Every day is a world made new."

And we might add, "Every semester is a new opportunity." The saying is that opportunity knocks but once, but I hardly believe that. She comes to everyone at the beginning of a new day, a new week, and at the beginning of a new semester. The old records are closed, as it were. The teacher turns over a new leaf in his record book — a new white page — and writes the name of every student thereon. Now, the question is, What shall be written after your name? A record of work well-done, work done to the best of your ability? Or will it be a record of haphazard work, carelessly done, perhaps good one day and bad the next? It's up to you!

The records that follow your name here at Maplewood or at any other school are lasting ones. They are not erased by a mere stroke of the pen; they will be used time and time again as an indication of your mental abilities, your talents, your willingness to learn, your cooperation with others, and many other attributes. Let's make those records indicate real worth this semester, shall we?

Crescit Eundo:

January 6, 1955, the girls met in the parlor for their weekly club meeting. Jan Zempel, our first semester president, opened our meeting with a short devotion. We then elected new officers. They are as follows: president, Ellen Olson; vice president, Sharon Odegaard; secretary, Lovina Larsen; treasurer, Clara Roberts; and Sgt.-at-arms, Judy Hymel. After this we skated on the new ice rink. We all enjoyed the evening very much.

The following Thursday night we met in the Seminar room. Since we had so much business to discuss, nothing else was planned.

Judy Hymel:
 Thanks to Judy for the diligent and never-tiring work as editor of the MAPLE LOG. Taking part in many of the school's activities, she has been kept very busy. Madrigal, Symphonette, and choir practices have interested her very much these past four years.

She is 5' 5" tall and her home is in Hutchinson. Swimming and ice skating are her favorite pastimes and home-made chow mein is her ideal food.

After graduation, college is her next milestone. Good luck, Judy.

ECHOES FROM MUSIC LANE

Those participating in music returned from vacation with renewed anticipation and interest.

Our Friday evening vespers musicians have been the Madrigals singing "Faith of Our Fathers," and Dixie Ballew playing a beautiful number on her cello.

The music on the Sabbath has all been uplifting. The soft meditative music of the Symphonette and the majestic numbers from the choir have helped to make the Sabbath a delight.

The special music for Sabbath school has been a string trio: Marlene Ellstrom, Carolyn Sherwood and Mrs. Sherwood, and a piano solo by Sally Rushold.

We have certainly enjoyed the music for church.

Sandra Ford sang "The Ninety and Nine" and the Madrigal girls sang "Cherubim Song."

Since vacation new members have joined our groups.

We are happy to welcome Clarence Anderson to the Madrigals, and Esther Anderson and Pat Johnson to the Symphonette.

Several promotions were then given by Lt. L. E. Davis, assisted by Cpl. Gerald Gilbert and Sgt. Owen Spencer. The following men received their promotion from Pfc. to corporal: Junior Borg, Richard Haughey, John Morrison, Nathan Walters, Martin Pederson, Richard Carlson, and Lane Schmidt. Lyceum Number

On January 15, we were privileged to have a musical trio from the University of Minnesota. Nell Allen - soprano soloist - Mr. Stuka, baritone soloist, and Mr. Rael - pianist - were the entertainers. Nell Allen is from Arkansas and is sometimes called "The Arkansas Traveler."

Mr. Stuka has made many recordings with Columbia Record Company. He comes from Poland. Mr. Rael is from Ohio and went to an Ohio university to major in piano.

During the evening, Mr. Rael gave us three piano solos, namely: Chopin's "Nocturne," and American folk song, and a Deep South folk song.

Nell Allen sang mostly folk songs from Australia and other countries, also short parts of Broadway productions.

Mr. Stuka's solos were mostly in his native tongue.

The vocal soloists also sang duets, some of which were: "No, Sir," parts from "Kiss Me, Kate" and "Carmen," and "I'll See You Again." For a final encore, they sang "Bless This House," as a fitting close to a very enjoyable evening.

The bridegroom was attended by his brother, Karl, of California. A reception was held following the ceremony for the close relatives and friends. Mr. and Mrs. Wheeler will live in Lincoln, where Mr. Wheeler is attending Union College.

Chapel Chatter

Mr. Hill read a very interesting and humorous story on December 1, "Pigs is Pigs."

The Missionary Volunteer secretary of the Northern Union, and Mrs. As and Becker were our guests December 3. Elder Luo asked us in chapel that day. He asked several questions to test us: What's your name? How old are you? Where do you live? How much money do you have? He applied each question to our Christian attitudes, and we answered while axioms as to how we are determined by our ideals. We enjoyed it very much.

Mr. Hill brought another well-known story to our chapel. President of Union College, Mr. ... of "The Underneath" and of how important it is to realize our ... He drew many ... from the exper-
