Annual Medical Cadet Banquet Held Feb. 20

MISSIONARY FAMILY VISITS MAPLEWOOD

Elder and Mrs. E. D. Clifford and family of Brainerd, Minnesota, were welcome visitors at Maplewood for the weekend of January 29. The Missionary Volunteers were especially glad to have this missionary family with us at our meeting on Sabbath afternoon. Elder Clifford was wearing the costume of a typical "devil dancer" of Bolivia, South America, where the Cliffords worked for many years. The headdress was very elaborate though frightening. He told us about the different sections of Bolivia and about the life of the Indians in that interesting country. He showed several different arrows and bows used by the Indians, and also some of their hand-made spears and other tools. Bolivia is the land of

"big snakes" and Elder Clifford demonstrated that fact to us by showing us the skins of some of these large snakes. He told us several interesting and exciting experiences that some of our people have had hunting these snakes.

Mrs. Clifford then showed a typical costume of the Indian women in Bolivia, with hat, handbag and all. The costume was very colorful, and Elder Clifford explained to us about the different costumes of the tribes. The pictures of Mr. and Mrs. Clifford in this issue show these two very interesting costumes from that far-away land of Bolivia. The Missionary Volunteers surely enjoyed the meeting of that Sabbath afternoon.

TEMPERANCE PROGRAM

The annual Northern Union Temperance program was held at Sheyenne River Academy, Harvey, North Dakota, on Saturday evening, February 12. To start the program the boys of the host academy displayed some interesting and difficult stunts. Mr. Hartley Berlin, farm manager of S.R.A., was the master of ceremonies. Miss Shirley Burton of Oak Park Academy, gave two readings: "How to Bange a Daby's Biper," and "The Honor of the Family."

TWO TEACHERS LEAVING MAPLEWOOD

Miss Victoria Larsen has recently accepted a call to the English department of Union College in Lincoln, Nebraska. Miss Larsen has been registrar, librarian, and English teacher at Maplewood Academy for eight years.

Mr. and Mrs. Milo Hill and Cherie will leave Maplewood at the close of this school year for the Ozark Academy in Gentry, Arkansas, where Mr. Hill will take up his duties as director of music. Mr. and Mrs. Hill have been at Maplewood Academy for eight years, also.

This gospel of the kingdom,
Shall be preached both far and wide,
A beacon in the darkness,
Its light we must not hide!

Over the weekend of January 28 and 29, Elder E. D. Clifford, pastor of the Brainerd church, was our guest speaker for both Friday evening vespers and for worship services the following day. Pastor Clifford is a returned missionary who has worked for many years in South America. He told us many stirring stories of how the natives have been won to Christ. The natives seem anxious to accept Christ's teachings, and it is sometimes necessary to restrain them, because they are eager to be baptized even before the proper period of insurrection has been accomplished. Certainly we can see God's hand in this mighty work being done to further His cause on earth.

On Friday, February 4th, Mr. Haughey was the speaker at our regular vesper services. He asked us, "Just what are you doing here at Maplewood?" Are we using our most precious talent, time, to the best of our ability? Are we trying our best to fit into God's plan for our lives? When Elijah of Old Testament times fled into the wilderness for fear of the wicked queen Jezebel, the Lord questioned him about what he was doing out in this place, away from his duties as the prophet of God. God was not pleased with Elijah. Should He then be pleased with us when we neglect our tasks, using much more flimsy excuses than Elijah's? This was very thought-provoking and led us to examine our lives more closely.

Lyceum Number

Norris J. Stokes, Jr., Paul Briggs, Albert Fitch, and Nathaniel Burrell, made up the singing group—The Melody Masters. They were a quartette of Negroes from California, Nebraska, and Kansas, respectively. They came to entertain us in song the evening of January 29. They sang a wide selection of songs, consisting of "I've Been Working on the Railroad," "The Days of the Week," "Old MacDonald Had a Farm," "My Old Kentucky Home," "John Brown's Body Lies a-mouldering in the Grave," "Little Eyes, I Love You," "In the

On the evening of February 20, the Medical Cadet Corps escorted their guests to the beautifully decorated dining room for the third annual M.C.C. banquet. After a very tasty dinner, the men and their guests were welcomed by Sgt. Gerald Gilbert. After the welcome, Lt. Davis awarded a gold compact to Judith Verlo, the honorary colonel of the evening. Myrna Wadsworth was awarded a box of candy by the Corps. Mr. Butherus commended the members of the Corps, not only on their appearance, but also on the improvement of their rooms and conduct. He attributed a great deal to the training of the M.C.C. The Men's quartette — Duane Butherus, Orlo Gilbert, Merland Kelstrom, and Dick Haughey — sang two numbers. Gary Hymel and Richard Carlson then presented a Negro skit, "Black Recruit." Dick Jensen played a trumpet solo, after which four of the men presented a short skit, "No Fishing Allowed." Duane Butherus gave a reading, "I Must be in the Army." The Men's quartette sang two more numbers. Orlo Gilbert played the Weasel Serenade by the Gruesome Twosome. Dr. F. J. Gilbert of Belle Fourche, South Dakota, was the speaker of the evening. The quartette sang the last number on the program and then the group went to the chapel to watch the film "The Iron Curtain." The following promotions were given: Owen Spencer, 1st Sgt., Gerald Gilbert, Sgt., first class, Junior Borg, Sgt., Nathan Walters, Sgt., Dick Haughey, Sgt., Dick Jensen, Sgt., Floyd Nelson, Pfc., and Jerome Huset, Pfc.

The Missionary Volunteer work thus far this semester has been going forward with the Lord's help. Almost every week the "Share the Faith" bands have carried on their work. Two new bands have organized — the Litchfield Sunshine band and the Hospital band. The old folks seem to enjoy these and the participants enjoy them and gain a spiritual blessing themselves.

Among the themes for the Missionary Volunteer programs have been "Why a Christian Home?" and Elder Clifford, former missionary to Bolivia presented one very interesting program. He and his wife brought Bolivia to our

Criticism

The ability to graciously accept and tactfully give criticism, is an asset few possess. More people should cultivate this ability, because no one can get away from criticism.

When we criticize someone, we should realize that criticism is not mere faultfinding. It is best to be constructive in our criticism always that is, to make constructive suggestions for overcoming those faults. Our aim should be to help, not hurt.

When people criticize us, we should not retort with a sarcastic remark, but listen attentively, and accept all comments at face value. Then try to remedy some of the faults.

Without the helpful suggestions we get from others, we wouldn't know how well we were progressing, or what improvements we need to make. So let us remember to help not hurt, in our criticisms.

Sportsmanship

When you participate in a game or athletic event of any kind, give your best efforts to the cause, but prepare yourself for the shock of losing. To play and win is the best thing; to play and lose the next best.

The most important lesson we can learn from any sport or game is sportsmanship. If you never attain any great skills and yet learn sportsmanship, you have learned the best lesson sports have to teach.

Good sports are always ready to congratulate the winner and console the loser. When they win, they are the last to mention the fact. When they lose, they are the first to praise the winner's efforts. During the game when the referee "pulls a rock" as the saying goes, they respect his rights even when the official is wrong.

Sportsmanship can mean the difference between enjoying or not enjoying sports. Subtract it, and all that is left is competition, and that by itself is the poorest teacher of ethics known.

In the words of a famous sportswriter,
"When that One Great Scorer comes to write
against your name,
He counts not where you won or lost, but how
you played the game."

Knights of East Hall:

The boys' club meeting of January 18 was called to order by our president, Owen Spencer. After the devotional exercises, we went out to the gym for a basketball game.

January 25 we were shown a film entitled "I was a Communist for the F.B.I." We also enjoyed a comic: "Felix, the Cat."

After the devotional exercises February 1, we were entertained with two films about driving.

The following Tuesday evening the Knights of East Hall skated first and had some skating races. Then we went to the chapel for devotional exercises. The remainder of the meeting we were entertained with a program given by the girls of West Hall. Thanks, girls, for the program.

Crescit Eundo:

The girls haven't done much in these last few weeks but to practice for the program we gave the boys on the night of February 8. The boys had a short devotional service; then the girls gave their program. A girls' quartet consisting of Dixie Ballew, Jan Zempel, Bette Daniels, and Lovina Larsen sang "Bill Grogan's Goat." Judy Hymel then gave two readings. Rose Sutton favored us with "Chime Bells." Bernice Kerkhoff and Nancy Moline gave a splendid elephant act. Liberace, portrayed by Frances Barnhart, gave several numbers with the help of George (Ruth Farnes) on his (or her) violin. Clara Roberts read us a letter from a mixed-up cousin. Ellen Olson showed some of her great hidden talent and sang an opera number from "Comrade Dragon Fly." To close our program Elaine Fankhanel played the role of music teacher and taught Sharon Fowler and Barbara Bitzer a flute lesson.

Mr. and Mrs. Clifford Johnson visited their daughter, Patsy Lou, at Maplewood on Sabbath, February 19.

ECHOES FROM MUSIC LANE

Music is the by - word around Maplewood Academy. Not only are there groups like the Madrigal Singers, Symphonette, and the choir, but there are also some smaller ensembles. We have string trios, vocal trios, instrumental trios, and many duets plus the many soloists in our student group. Without these groups, there would be less music at Maplewood. At the Friday night Vesper hour, Sabbath school and church services, we have been thrilled and inspired with the beautiful music. Our thanks go not only to the performers, but also to Mrs. Dean Torkelsen and to Mr. Hill who have so wonderfully taken over these newly-added responsibilities.

Carolyn Rhodes.

TOBOGGAN FROLICS

If you were at the back steps of the girls' dorm at 5:00 p.m. on Sunday evening, February 6, you saw the seniors being pulled in or jumping into the Conference truck. We had three large toboggans and all agree that they had enough rides down and enough walking up to make them ready for the hot chocolate, potato chips, sandwiches, and candy bars which they ate, standing around the fire. Junior Borg had the school tractor out on the lake and pulled a group of seniors on a toboggan while Dean Torkelsen was pulled on his skis. They can hardly wait until the next party.

★ ★ ★

Everything started off with a bounce Sunday evening, February 15, as Mr. Davis fell into the door of the conference truck. The Juniors were off for a thrill-packed two hours of tobogganning and spills. After they had their fill of tobogganning, they all gathered around the fire and ate all the sandwiches, potato chips, cookies, and all the hot chocolate they could hold, except for what Mr. Davis drank (eight or nine cups). They all agree that they'd like another outing in the future.

Blackies Says:

Dear Friends:

Christmas vacation was very quiet around the school farm. Bernd Krzykowski worked for Mr. Carter, and Dick Walters spent his vacation in South Dakota. Guenter Krzykowski and Duane Butherus stayed at Maplewood and took care of the milking, cleaning, bedding, feeding, calf feeding, and chicken feeding under the watchful eye of Mr. Gilbert. Bill Kanfield, Armond Olson, and the part-time workers on the farm went home for Christmas. Mr. and Mrs. Adams went with Mr. and Mrs. Torkelsen to Colorado. I guess they had a good time. I heard them tell of visiting friends in Lincoln, Nebraska, Boulder and Denver, Colorado, Campion Academy and Platte Valley Academy. They were gone a week which was a long time for the old black dog to "batch it." I was really glad to see them when they returned to Maplewood.

Maplewood now sells Garde A milk. The new 150-gallon stainless steel bulk tank is working fine. The new Surge milkers are doing their part, too. The state inspectors that were here the 12th of January said that they wished they had a hundred barns like Maplewood's. I heard Mr. Adams tell Mr. McCune that we would have three fresh cows within a week. Four Holstein heifers from one of the top herds of the county have come to make their home at Maplewood. When you visit Maplewood, come out to the barn and see me. I'm always glad to see the visitors.

Your old friend,
Blackie

TEMPERANCE

The secretary of each state introduced the principal of each academy in the

Senior Personalities

Owen Spencer:

Six-foot-two, eyes of blue, brown hair and eighteen years old, is Owen Spencer of Willmar, Minnesota. He has attended Maplewood for four years. In Owen's spare time, you can always find him either working in the gym or playing basketball.

He is "bouncer" of the senior class and participates in many of the activities. He plans to attend Union College and study to be a dentist. Much success to you, "Spenc."

★ ★ ★

Myrna Wadsworth:

A very pretty, brown-eyed, brown-haired, 5' 5½" tall, country-reared girl by the name of Myrna Wadsworth comes to us from Brainerd, Minnesota. Her music ability, which has made her capable of Madrigals and choir, is her very delightful and enjoyable pastime. Her artistic ability has won her many a prize in contests here and in other schools. When you ask Myrna what she likes to eat, she'll say "Oh, anything! I'm not fussy." "Show-offs" are very peevish to Myrna's good-naturedness and she wishes they'd stay home if they want to show off.

To be a teacher is her ambition and she wouldn't mind going to Keene, Texas, next year for her college education. Good luck, Myrna, we know you'll succeed.

★ ★ ★

John Zollbrecht:

John came to Minnesota from North Carolina this fall, and is enjoying his first year here at Maplewood very much. John's new home is in Thief River Falls, Minnesota. He is 5' 10" tall and has black hair and blue eyes. When asked what his favorite food is, he replied: "Fruit cocktail, I've always liked." John's favorite sport is swimming and his favorite subject is American History.

He is our Missionary Volunteer story-telling band leader. His pet peeve is people who hold a grudge. If we could look in on him in the future, we would see him studying business or music. We here at Maplewood are sure that with his vocabulary and determination he will succeed.

★ ★ ★

Judith Verlo:

"Judy" is from Hutchinson, Minnesota. This is her fourth year at Maplewood and she likes it very much. Judy is the editor of the MAPLE LOG and takes an active

part in Madrigals, choir, and Symphonette. She is 5' 5" tall. Swimming and ice skating are her favorite pastimes and home-made chow mein is her ideal food.

She plans to attend college where she will study a dietetics course. Good luck, Judy, we know you'll succeed.

★ ★ ★

Nathan Walters:

Nathan is, without a doubt, one of our busiest seniors. His duties as senior class president, associate editor of the MAPLE LOG, and Student Association president, keep him "on the go" most of the time. His home town is Bethel, Minnesota. From his light brown hair to his shoes, Nathan measures 5' 8". He has blue eyes and is always ready with a friendly smile. Among his favorites, Nathan includes roast turkey as his favorite food, and rollerskating as his favorite pastime. College is next on Nathan's agenda, and we know that success will most certainly be his.

★ ★ ★

Jan Zempel:

Jan hails from the great state of North Dakota, of which she is very proud. Jan has been a student at Maplewood for three years. She takes an active part in the choir, and she plays the organ for church. American History is her favorite subject. She is very fond of sports and claims basketball and baseball as her favorites. She enjoys eating most foods, but string beans and sauerkraut are her greatest dislikes. Her favorite pastime is table tennis and also laughing with her roommate. Monitors are one of her pet peeves. After graduation she plans to go to college and take Secretarial Science. Much success to you, Jan.

★ ★ ★

Richard Van Raden:

"Friz" came to Maplewood from Fertile, Minnesota. He is finishing his fourth year here, and he seems to like it very much. He stands 6' 2", has brown hair and blue eyes. He likes any food that his mother makes. By his size we can tell this holds true. He weighs all of 195 pounds. His top sports are swimming and basketball. He enjoys playing with the "Senior Royals" as a forward. Richard plans to go to college next year and study for the ministry. With the amount of ambition Richard has, we can be sure that he will do well in the work he has chosen. Good luck, "Friz."

Sports Roundup

This month we had plenty of activities in the gym because there were no lyceum numbers in the month of February.

On Saturday night, February 12, two basketball games were played, one between the girls' Physical Education classes and the Senior and Junior girls. The Senior - Junior girls won by a score of 23-8, yet both teams fought their best to the end. The other game was between the boys—Juniors and Seniors. It was a real contest between the teams; yet the Juniors managed to get by with the score of 48-43 at the end, in favor of the Juniors. Dick Haughey was red-hot after a cold first quarter, yet he finished with 22 points to compare with the high man of the Seniors, which was John Morrison, who had 18.

The box score of the Senior-Junior game are as follows:

Juniors	fg	ft	ftm	pf	tp
Haughey	8	6	5	0	22
Nelson	4	0	0	2	8
L. Morrison	0	0	0	0	0
J. Huset	4	0	0	3	8
Burghart	2	0	0	1	4
Jensen	1	2	0	0	4
Kelstrom	0	0	0	1	0
Thayer	1	0	0	0	2
Totals	20	8	5	7	48

Seniors	fg	ft	ftm	pf	tp
Spencer	3	0	2	1	6
Van Raden	4	0	0	2	8
J. Gilbert	4	1	1	3	9
J. Morrison	8	2	2	2	18
Fankhanel	1	0	3	2	2
Totals	20	3	8	10	43

Another game was played between the Juniors and Seniors February 15. The Juniors with their newly-acquired uniforms, were ahead 21-19 in the last minute but Van Raden, Senior, sank two of his gift tosses and the game ended in a tie, 21-21.

See you next month.

GYM FUN

On the night of February 5 we started our evening's entertainment by skating in the gym. After every one had enjoyed themselves for an hour, we were invited to the chapel by the Student Council. There we had a film, "Money to Burn." It was centered on the Higgins family. Mrs. Higgins was noted for her interest in Box Top contests. I'm sure we all enjoyed the film. Thank you, Student Council!

A girls' basketball game started our Saturday night entertainment on February 12. It was between the Seniors and Juniors, and Physical Education class. Following this the boys, Juniors vs. Seniors, had a game of basketball. We skated to close our evening's entertainment.

The Madrigal singers entertained the students, faculty, and visiting Board members during the chapel hour on Tuesday, February 15. They sang two religious songs at the beginning of the service, and Elder Butherus read the Scripture lesson. Elder Nightingale of the Northern Union office offered the morning prayer. The Madrigals then sang four songs.

Mr. Haughey, manager of the Maplewood bookbindery, came to chapel on January 26 and told us something of his main interest—"Bookbinding." He told us about the different kinds of binding, glue, paper, and other materials that are used in the binding of books. We were glad to have Mr. Hill give us a sample of his skill as a saxophonist on January 28. Miss Carolyn Rhodes was his accompanist.

Mrs. C. A. Pederson of Minneapolis visited her son, Martin, at the Academy for a few hours on Sunday, February 20.
