*Lean on me,*

*when you're not strong,*

*I'll be your friend,*

*I'll help you carry on.*

*For it won't be long,*

*till I'm gonna need,*

*someone to lean on.*

*Sometimes, not often  
enough, we reflect upon  
the good things in life.  
And our thoughts always  
turn to those people who  
have made the good things  
possible. Like the guy's dean.*

*We realize the work it takes  
to run a dorm. Guiding us as  
we learn to live day by day,  
encouraging us through our  
disappointments, and being  
a friend when we need one.  
It's hard growing from boys  
to men, and it's nice to know  
there is someone to help us,  
someone to lean on.*

*For your devotion to us, Mr. Tappen, we dedicate this 1974 Maple Log.*

# *Temperance*

This year MWA was the site of the 1974  
Northern Union Temperance Orations and Bible Quiz.  
Students from the four academies gave us  
Information in their orations on  
How we may keep ourselves healthy.  
Other students participated in a quiz based  
On the book PATRIARCHS AND PROPHETS.

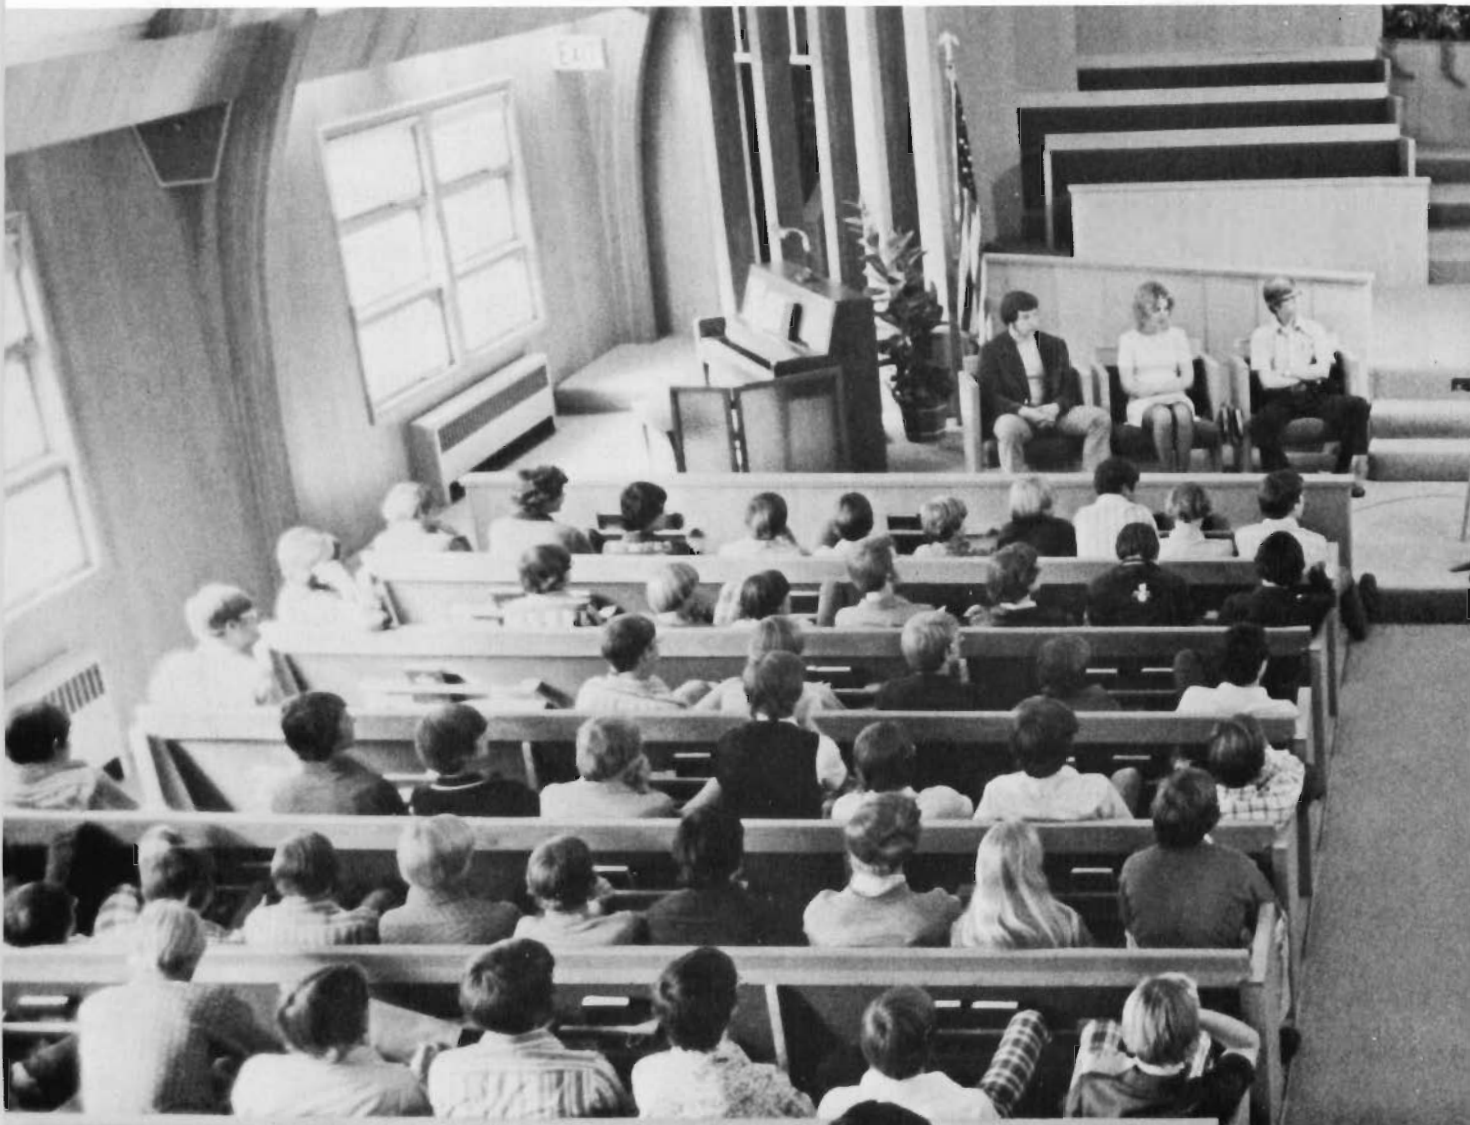

The winning temperance posters  
Were interestingly displayed  
Showing some of the  
"Do's" and "Don'ts" of  
Healthful living.

## *Fall Week of Prayer*

*During the week of September 23-29 we had the privilege of having on campus Elder Brazee, from Union College. He brought along with him four students. Together they led us in an uplifting week of prayer, pertaining to practical Christianity, and how to apply it to our lives. The week was highlighted with Communion service on Friday evening which was truly a beautiful ending.*

## *Footprints of Jesus*

Footprints of Jesus, leading the way.

Footprints of Jesus, by night and by day.

I know if I follow, my life will be sweet,

For I am saved, oh yes, by His wounded feet.

They led Him to Bethany, and that's where he stayed.

Then on to Gethsemane, and that's where He prayed.

Then on to Mt. Calvary, sal vation so sweet,

For I am saved, oh yes, by His wounded feet.

Once I was lost, He heard my cry.

I looked to Him for mansions on high.

He lifted my burden, and now I can sing,

Glory to God, glory to God,

I'm a child of the King.

## *Wow! What a Registration!*

*Endless forms, waiting lines, complete frustration,  
Decisions about classes, then a few more forms.  
It was worth it, though. Now we were ready to start  
The new school year right.*

*After a long day, it was time for our annual handshake.*

*As we formed a large line around the gym, little did we know that the Hands we shook and the kids we met were soon to become some of our closest friends.*

## *Fall Festival*

*On November 4, 1973, we were all invited to the*

*Annual Fall Festival. Of course there were some "honored guests" present.*

*There was Raggedy Ann, Uncle Sam, a few bums,  
And even a little bunny hopping around.*

*After the guests were reviewed, we all marched out to the North Woods where we were taken on Hay rides and stories were told by the Blazing bonfire.*

*Then followed the movie 'The Reluctant Astronaut.'*

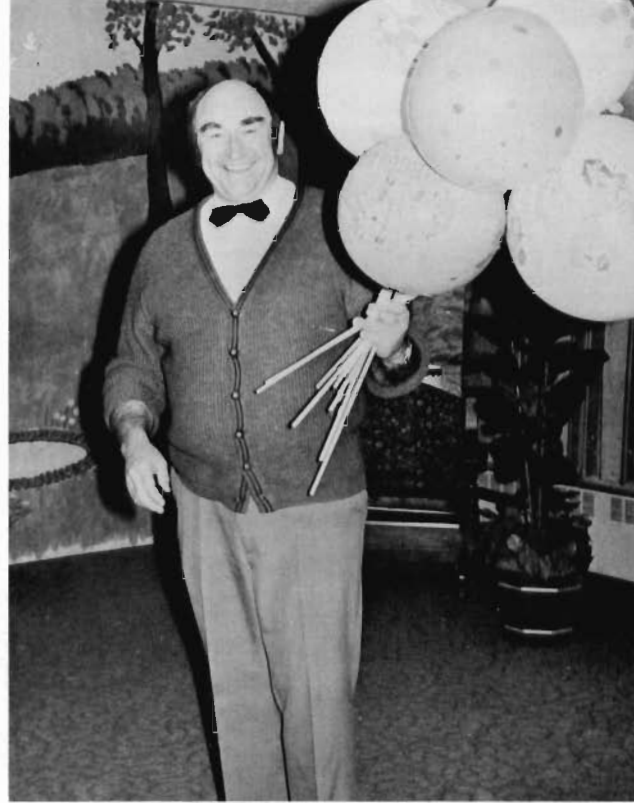

*We retired that night tired but happy.*

## *Gay Nineties in the Girls' Dorm*

As we walked through the dorm, it was just as if  
we walked into a quaint old fashioned town.  
There was a candy shop with all kinds of goodies,  
and a flower shop filled with daisies and baby's breath.  
The second floor parlor was transformed into a  
Park Scene, starring Elder Reid as the balloon man.  
In the basement we found McClain's Ice Cream Parlor  
with live "ragtime" music played by Mrs. Mariani.  
The movie, "The One and Only Genuine  
Family Band," fit in very well  
With our theme.

## *Girls' Dorm Life*

"Oh, oh, is that the 1st worship  
bell?

It can't be! I just got up, and I  
have

Class in twenty minutes."

Or, if you happen to be one of  
the lucky ones

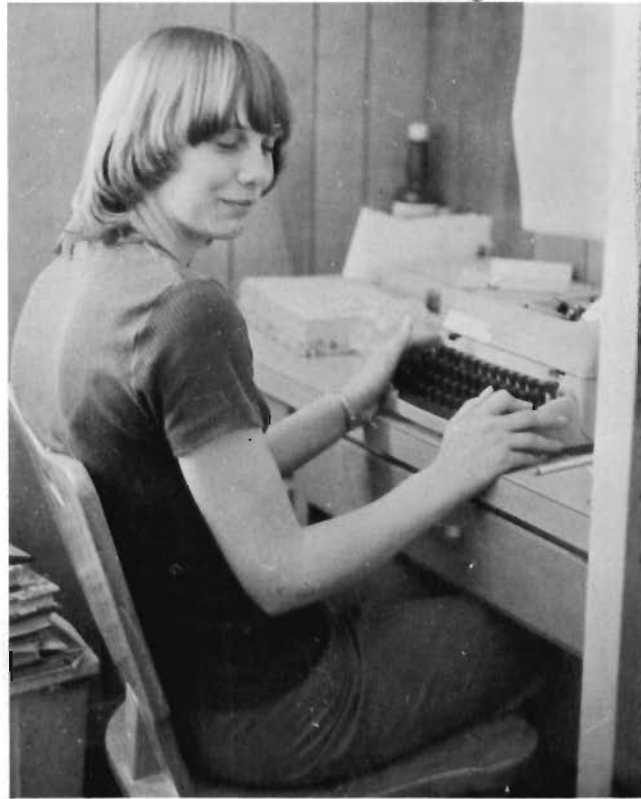

Who can sleep in, you can hear  
someone

Screaming down the hall,

"Do we have a chemistry test  
today?"

Then everyone goes about their  
own business

All day until evening worship and  
study hall.

Now study hall is something else! You have a ton of homework to do. But how can they expect you to do it when all your friends are short sheeting somebody's bed. Seriously, dorm life has made me realize how precious friends are. When I get on the wrong track,

they point me back to Christ. Because that's where it's all at.

## *Christmas Banquet*

*December 19, 1973 marked the evening*

*Of our annual Maple Leaf Banquet.  
As we walked into the dining room  
We were greeted by the setting of  
An old fashioned, Swiss Christmas.*

*Following the dinner we were favored*

*By Mrs. Mariani playing a song on the piano  
Virginia Hainey played her accordion.*

*Returning to the school, we enjoyed  
the film "George" completing a special evening.  
Thus we entered into the Christmas spirit.*

## A.S.B. Campaign

*The campaign began on January 20 with the skits.*

*They consisted of a bank robbery, a modern version of  
The Good Samaritan, a gang fight, a day at "Camp Veland,"  
And the discovery of a real "Juhl."*

# THE LATEST THING... ~ VOTE ANDY

FOR  
SECRETARY - TREAS.

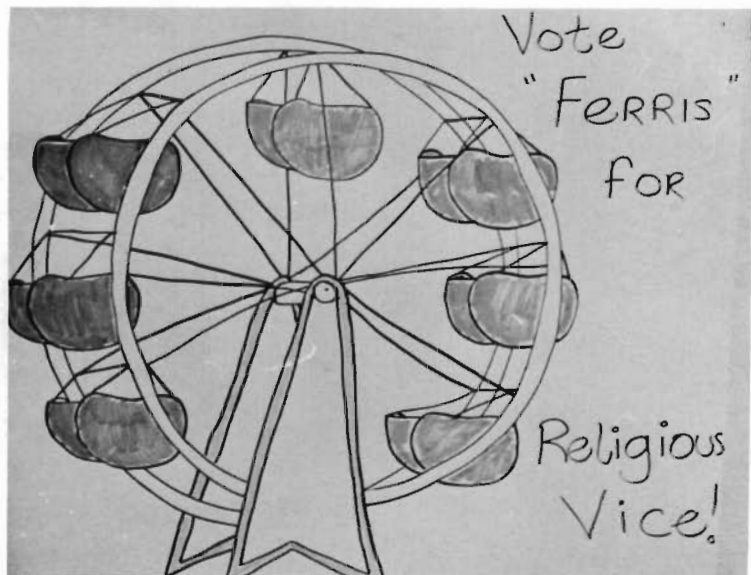

*Monday we voted for our favorite  
candidates.*

*That night we learned the results.*

*As always, some won, some lost.*

*Congratulations, winners!*

*Do a good job.*

## *Ski Picnic*

The day was a little on the chilly side,  
But perfect for a skiing trip.  
It was the day of the MWA Ski Picnic, February 13.  
Some had never set foot on snow skis before,  
But they were soon sailing down the slopes like old pros.  
If you might have looked up at just the right moment,  
You might have seen a camera staring you in the face  
With Mr. Leukert or Kevin behind it.  
Trying to make you look as foolish as possible.

Seven hours on the slope  
 Can really tire you out.  
 So it is understandable that  
 Everyone was sore and exhausted  
 But also very happy when we returned.

"We'll see what we can do!"

"My transmission did what?"

"duhhh!"

cheese whiz!!

"Come over here, big boy!"

Heart BURN!!!

Now you've done it.

*Boys'  
Dorm  
Life*

What is it really like to live in the Boys' Dorm? Well,  
many various things  
happen - such as - just sitting around and taking it  
easy in the parlor, all of  
us working together to keep the dorm spic and  
span, learning of God through  
the worships given by Mr. Tappen, rounding up  
the "gang" for some fun and  
good laughs, and of course once in a while we  
even find time to study.

# Sports

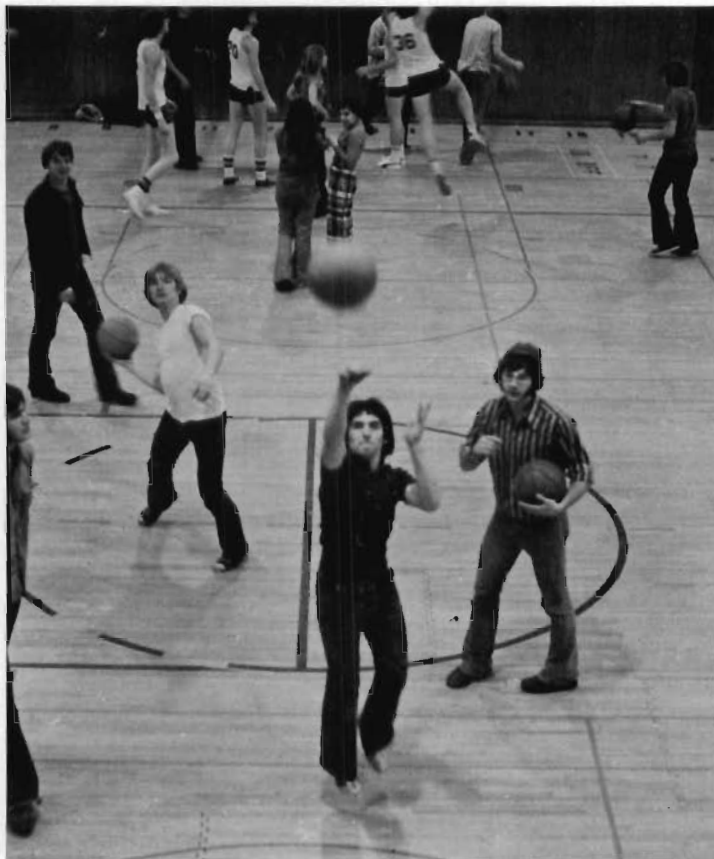

Sports - Basketball, football, hockey, softball.

Who can describe the fun and enjoyment found through these activities?

It is not only a thrill to play in the game, but it is always exciting to root for your favorite team.

Yes, winning is fun, especially if you've come from behind and managed to win. But let us remember that winning is not so important, and good sportsmanship is what counts!

## *The Class of Seventy-Four*

It was a joy and blessing  
On a visit in the fall  
To my old Alma Mater,  
Maplewood, the best of all.

The Lord must really love you  
Boys and girls I see them all,  
And Seniors, O! so many  
Forty-nine I now recall.

They come from all directions,  
North, South and East and West,  
From city, farm and country side  
The fairest and the best.

I wish I knew them better  
But there are miles between,  
So I'll just now content myself  
'Till in heaven they are seen.

God has a place for everyone  
As Sheila, Bruce and Jo.  
As well as Eleanor and Janet,  
Jeri-lyn and Susan you know.

There's Goldie, Gary, Steve and Rick  
With Clyde and Debbie and Roger too  
Then comes Arvin, Rick Forde and Virginia  
Followed by Gordon, Becky and Marilyn Hewes.

Shelly, Kim and Todd are great  
Jeanne, Sharon and Rolf I see,  
While Pat and Ed go thru the gate  
And Candi and Donna get in, we see.

Watch Shari, Kevin and Janell,  
As well as Debby, Amy, Sue and Paul,  
Randy, Tom and Art will be  
Leaving Janette, Laurie and that's not all,

For in comes Pam Smith and Marley  
As well as Pam V., Debbi and Kim,  
With Bernd and Steve bringing up the rear  
And I will now put on the trim.

God bless this lovely class of youth  
May they each prepare for heaven,  
Christ's coming now is very near,  
You must get rid of leaven.

By Don Carlos Chamness, Class of 1930
