MAPLE LOG 1976

**Maplewood Academy
Hutchinson, Minnesota**

Published by Maple Log Staff

Oh, say, can you see, by the dawn's
early light,
What so proudly we hailed at the
twilight's last gleaming?
Whose broad stripes and bright stars
thro' the perilous fight
O'er the ramparts we watched were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof thro' the night that our flag
was still there.
Oh, say, does that star-spangled banner
yet wave
O'er the land of the free, and the home
of the brave?

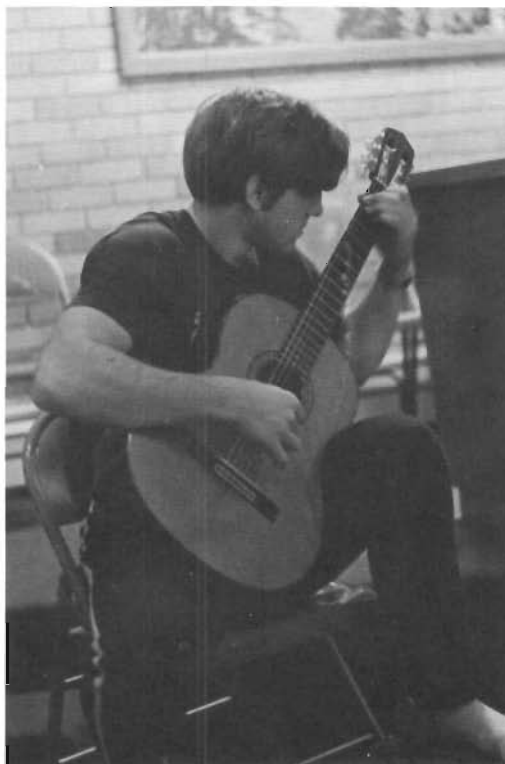

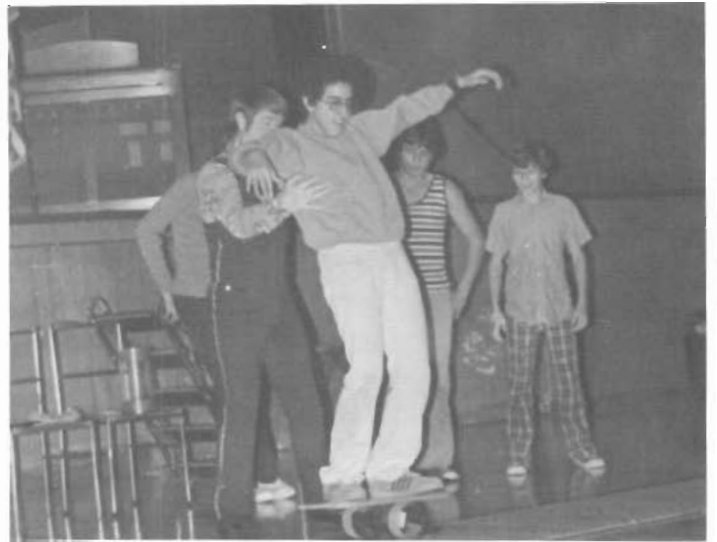

**We're loyal to you Maplewood,
To the White and the Blue we'll
be true,**

**With banner in hand, you're the best
in the land,
For you're really grand—Maplewood!**

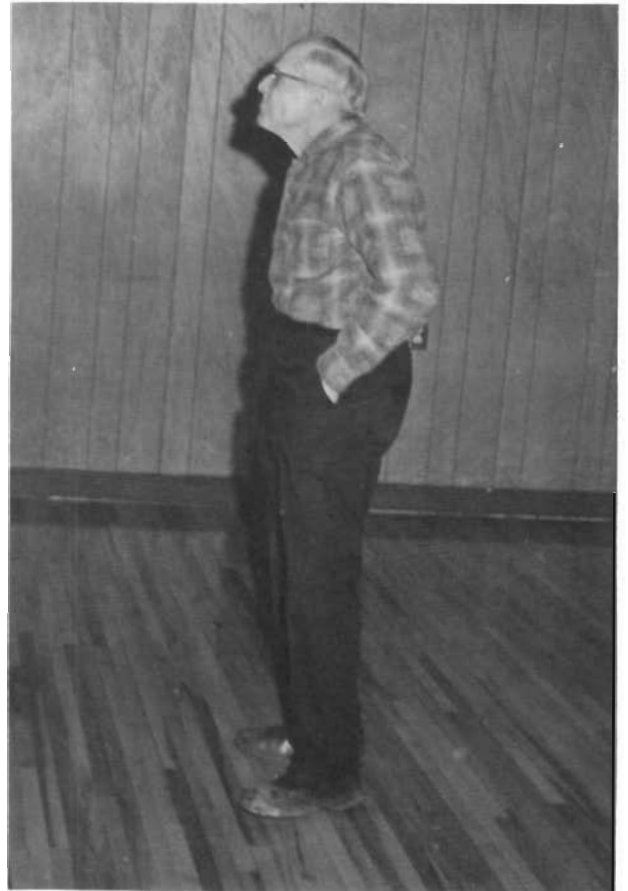

Through these halls we travel
along
Just singing the victory song.

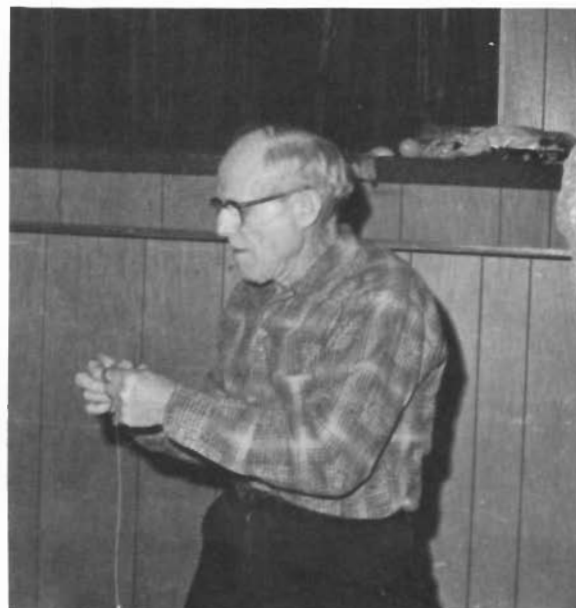

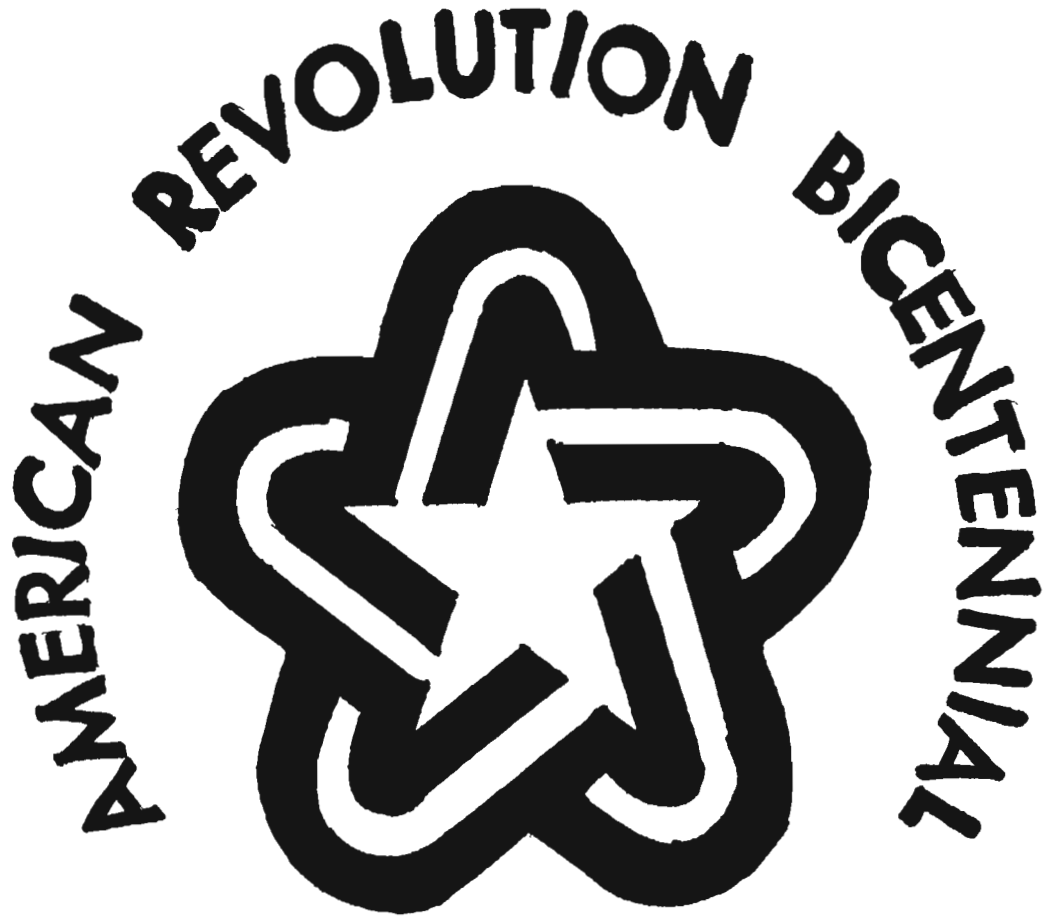

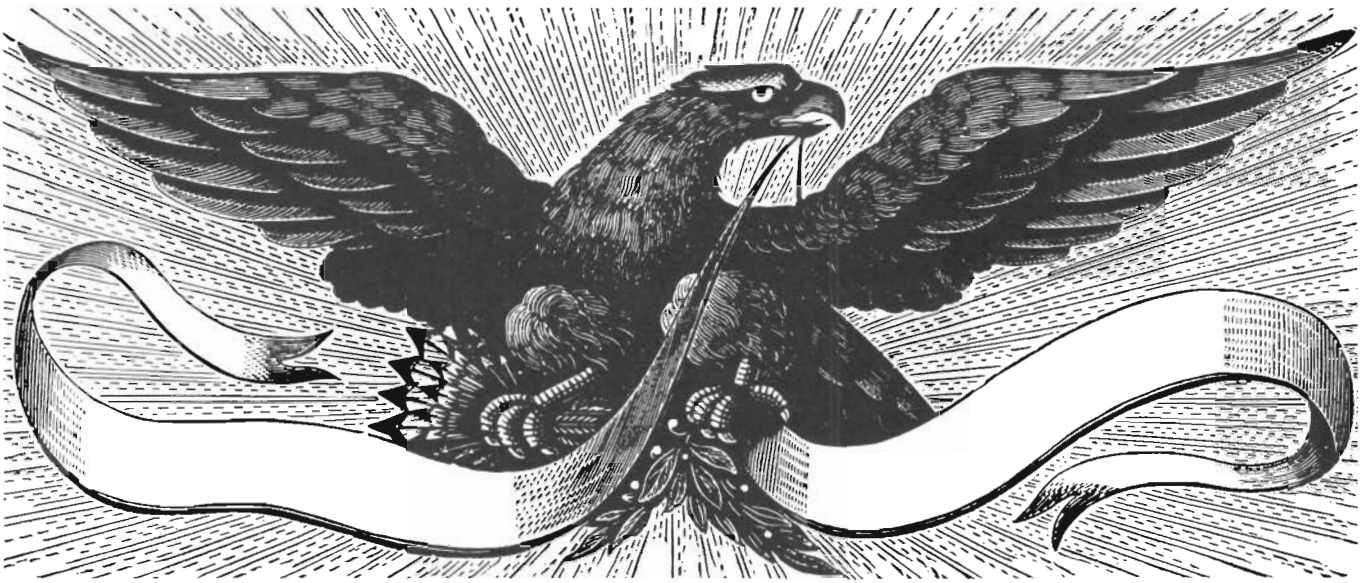

Oh, down through the years we
saunter,
All while we're growing fonder,
of dear old Maplewood!

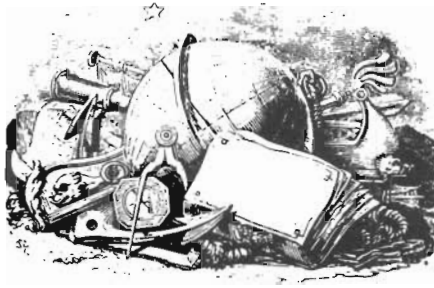

In this year of the bicentennial we are honoring things in our past history that have brought our country to what it is today. As we are thinking along these lines for Maplewood Academy, it comes to mind that there is one person on our campus who has done more for us than any other. You have been here for many years, cheerfully going about your duties as Maintenance Director, but your job doesn't stop there... day or night—anything goes wrong and you're there to fix it. Your positive spiritual influence has impressed those of us on campus as well as your many friends in the surrounding community. You have always gone the 'second mile' in every aspect of your life that you so unselfishly share with us. The school wouldn't run as well if it weren't for you, Mr. Schwab, so we the Maple Log staff, want to dedicate this 1976 Maple Log to you to thank you in a small way for all the good you have done for us.

SENIORS

To those who are leaving us, we want to wish them well. As you map out your life, whether you encompass the globe or stay in the homeland, always remember that Jesus is the best guide. He will help you through the biggest and toughest decisions to come.

FACULTY

We want to thank the faculty for all they have done for us. Sometimes we don't always see eye to eye on every subject matter, but we realize that they must carry out the constitution and laws of our school. Keep in mind that with God's help you can lead the students of this school to a better understanding of heaven.

RELIGION

In the framing of our constitution there was provision made for the freedom of religious beliefs. This freedom has brought peace to many and dissolved differences that have separated people down throughout the years. We know this freedom won't last until Christ comes again but we are thankful that at Maplewood we still claim this privilege.

Week of Prayer

We had the privilege of having Pastor Rich Carlson as our speaker. With him was his wife Kenna Lee and their new son, Brian. His topic, being very practical, was on prayer. Everyone was drawn closer to Christ in the few days he was with us. Thank you and God bless you, Pastor Rich!

Bible Camp

We all met at Forest Ridge Camp in Iowa. We had the joy of renewing old friendships and making new ones. Elder Dick Winn shared with us new light of beholding Christ, our friend and Savior.

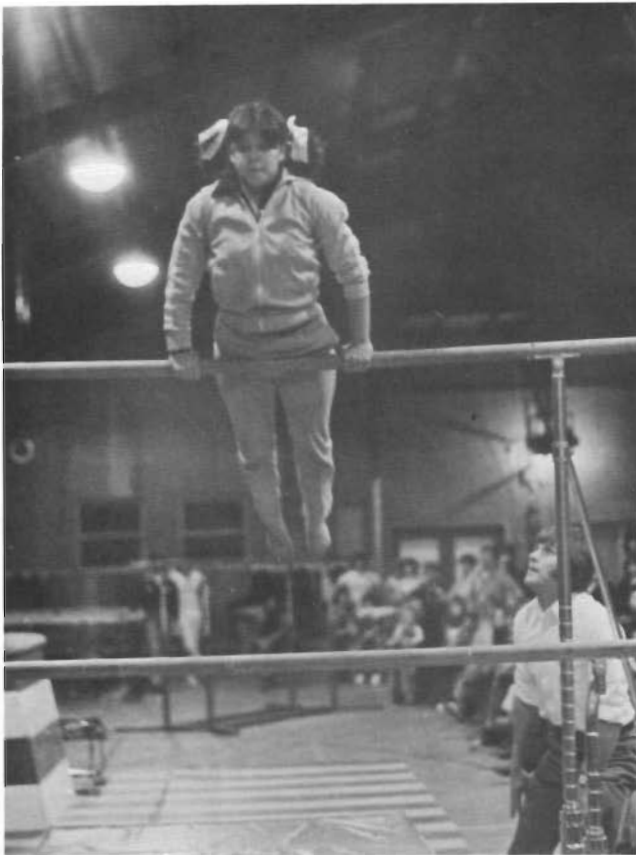

Friday Nights

The vesper services on Friday nights are very special to all of the students. After the service we have "after glow"—this is a time to sing, give testimonies, and have prayer bands. It's a wonderful way to end a week and begin a new one.

Temperance

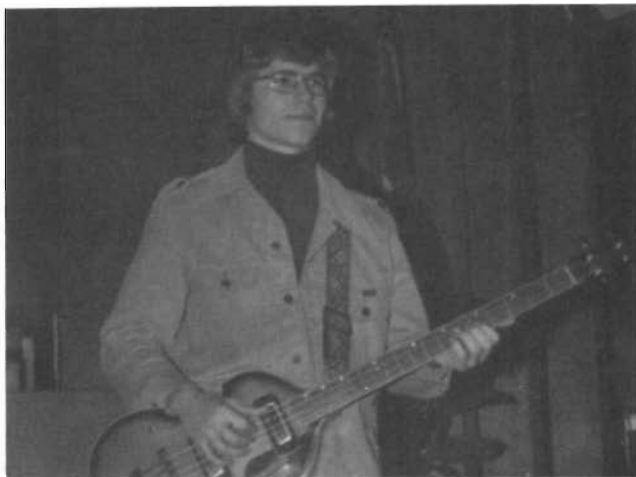

At some time in our lives we are all given a chance to represent our school. We always try to do our best so that others will see our school spirit in us. Thank you so much gymnastics representatives, Deneé, and Tony for showing to others what we, the student body, are like. Even though you all didn't win, you didn't lose. Instead you shared part of yourself with many others, and because of that, we all won.

Story Hour

The songs were sung. Our stories were told.
The smiling faces of the children showed
their joy. When it was all over we received
the biggest blessing.

Action Teams

'Second Chance' is an action team dedicated to witnessing for God. Their aim is to bring others closer to God. The members are: Brent Schumacher, Dwayne Green, Rocky Larson, Wayne Morrison, Cherie Evenson, Pam Rudolf, Michelle Ohman.

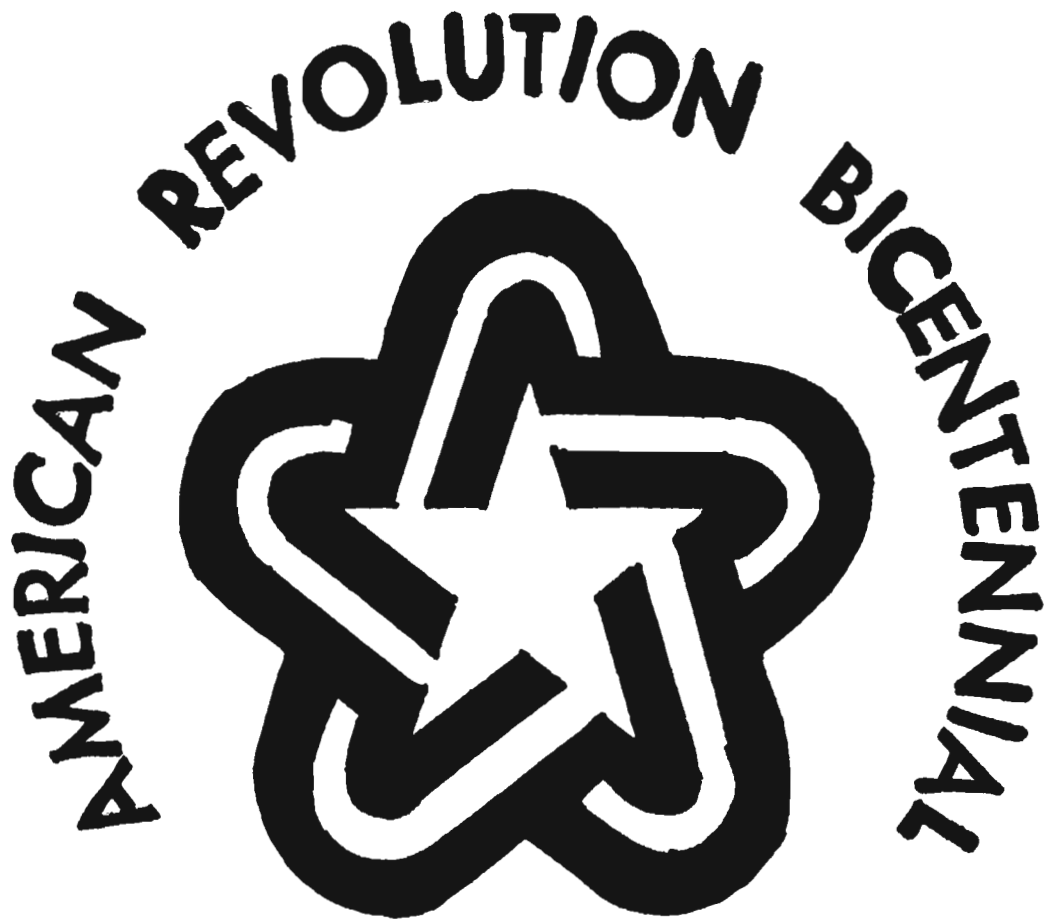

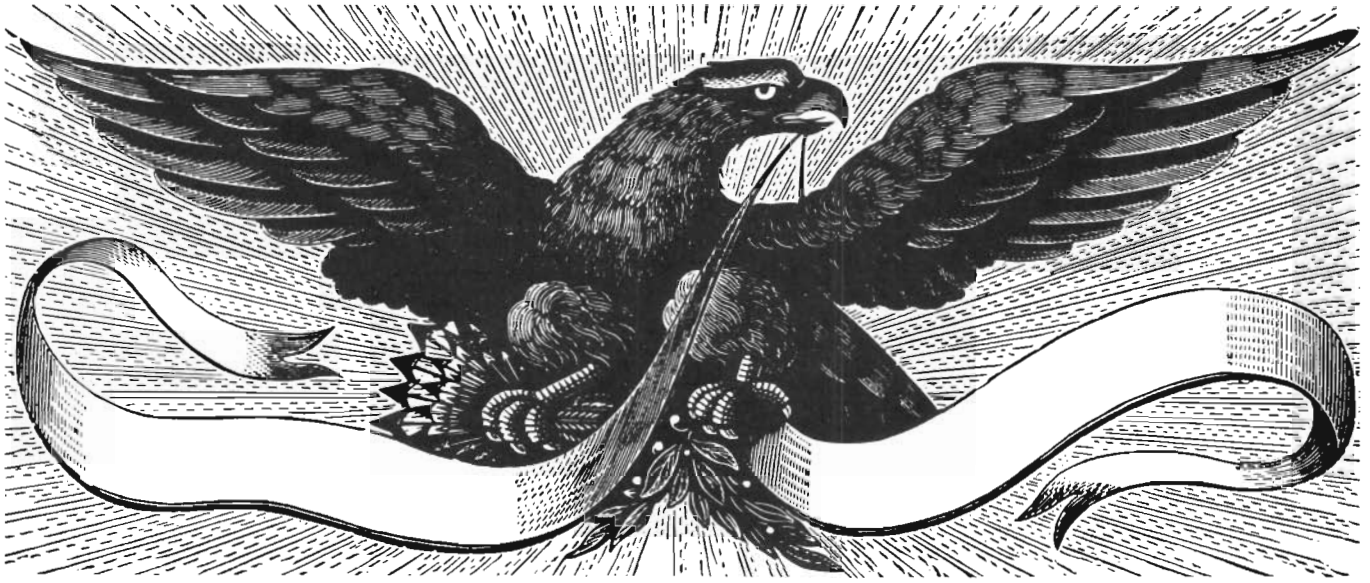

Whatsoever you do to the least of my Brothers,
that you do unto me.

When I was hungry, you gave me to Eat.
When I was thirsty, you gave me to Drink
When I was weary, you helped me find Rest;
When I was anxious you calmed all my Fears.
Now enter into the home of my Father.

When I was little you taught me to Read.
When I was lonely, you gave me your Love.
When I was aged, you bothered to Smile;
When I was restless, you listened and Cared.
Now enter into the home of my Father.

When I was laughed at, you stood by my Side
When I was happy, you shared in my Joy.
Hurt in a battle, you bound up my Wounds.
Searching for kindness you held out your Hand.
Now enter into the joy of my Father

Whatsoever you do to the least of my Brothers,
that you do unto me.

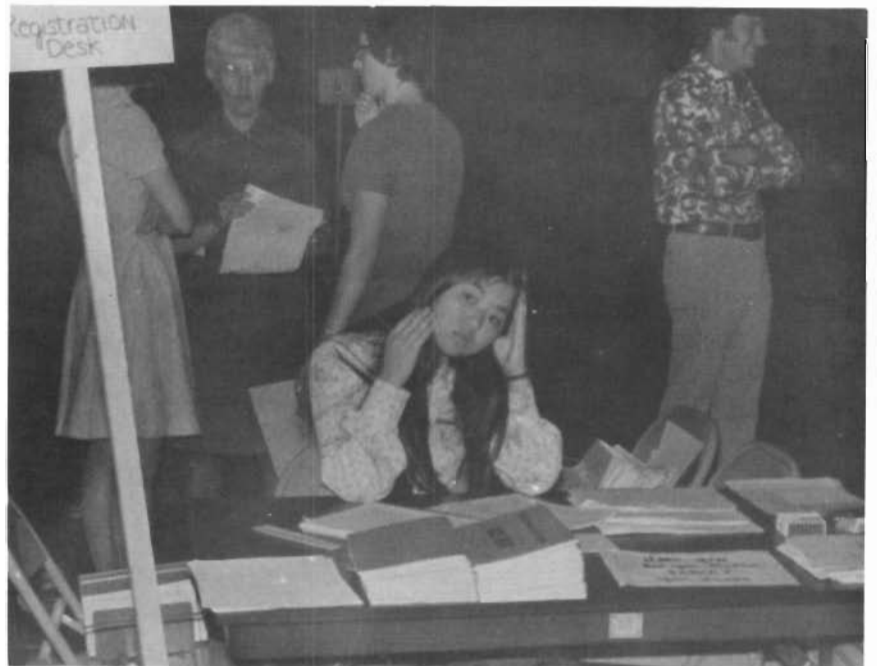

ACTIVITIES

Activities play a large part of our campus life. They range from picnics and festivals to banquets and receptions. They aren't always as 'active' as they could be, but it takes participation from all, and everyone likes it that way.

A New Year

Piles of paper, old friends, new kids, which classes should I take? This and more made up the annual Registration. After a long day of running in circles, we lined up around the gym for the 'Handshake'. It was great to see old friends and make new ones, now we are ready to start a brand new school year.

A.S.B. Fall Festival

Fall Festival started with Elder McClain falling into a big barrel of water. There were contests and activities in every corner. We enjoyed the film "Follow Me Boys", and to sum it all up it was a great evening, thanks to the A.S.B.

Guys' Open House

It was a night in October. Couples waited in long lines to register as our two faithful guards looked on. First floor was transformed into an American Bicentennial theme. Some of the rooms of all three floors were decorated in typical Bicentennial style. It was an evening of great entertainment, which thus brought to us the heritage that is ours—AMERICA!

A.S.B. Track and Field

Running, jumping, throwing, kicking, excitement, and tired people. Competition ran high that day; thus was the day of the A.S.B. Track and Field events.

Knights of North Hall

Maple Leaf Campaign

Maple Leaf Side Leaders: Cherie Evenson, Laurie Severns, Elaine Heinrich, Peggy Glass, Steve Roderick, Glen Zumbaum, Scott Russell.

The Maple Leaf Campaign had started. Girls battled against the guys for the championship. The mailboxes were full with letters going out asking for subscriptions. The losers would have to ask the winners for the next banquet. The night finally arrived. Screams filled the air when the girls found the trophy at the end of the treasure hunt. Better luck next time, guys!

Children's Christmas

Nothing is more exciting than to watch children's faces as they open gifts from Santa. Christmas is a time for sharing. The children and students both went away from the party with happy hearts.

Maple Leaf Banquet

The weather was cold, but our spirits were warm at our annual Christmas Banquet, held December 16 at the Crow River Country Club. After the meal we were entertained by several musical selections followed by the film "Trouble with Angels" which completed a very enjoyable evening.

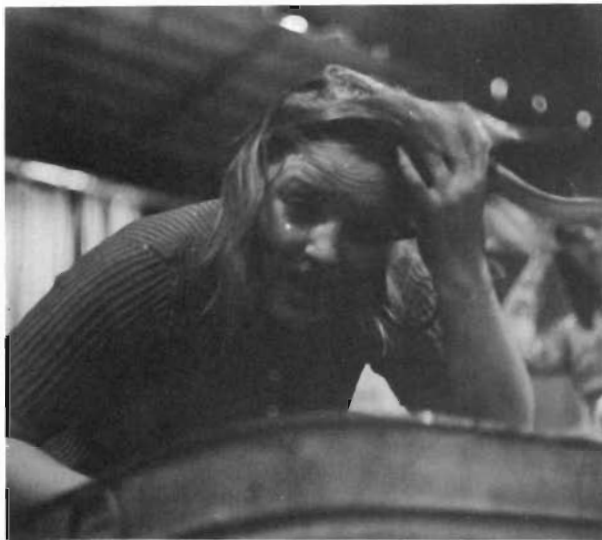

A.S.B. Campaign

No, the A.S.B. is not dead. There are still those who will plan a skit, make their campaign managers dunk for apples, type with one finger, and pull napkins out with their mouth. Good Luck, Winners!

Winter Festival

So what if it's cold. Let's find some champions. Foosball, Ping-Pong, football, basketball, and snowmobiles. Even some passive sports like swimming, and oh yes, eating. A.S.B. Winter Festival.

Sports

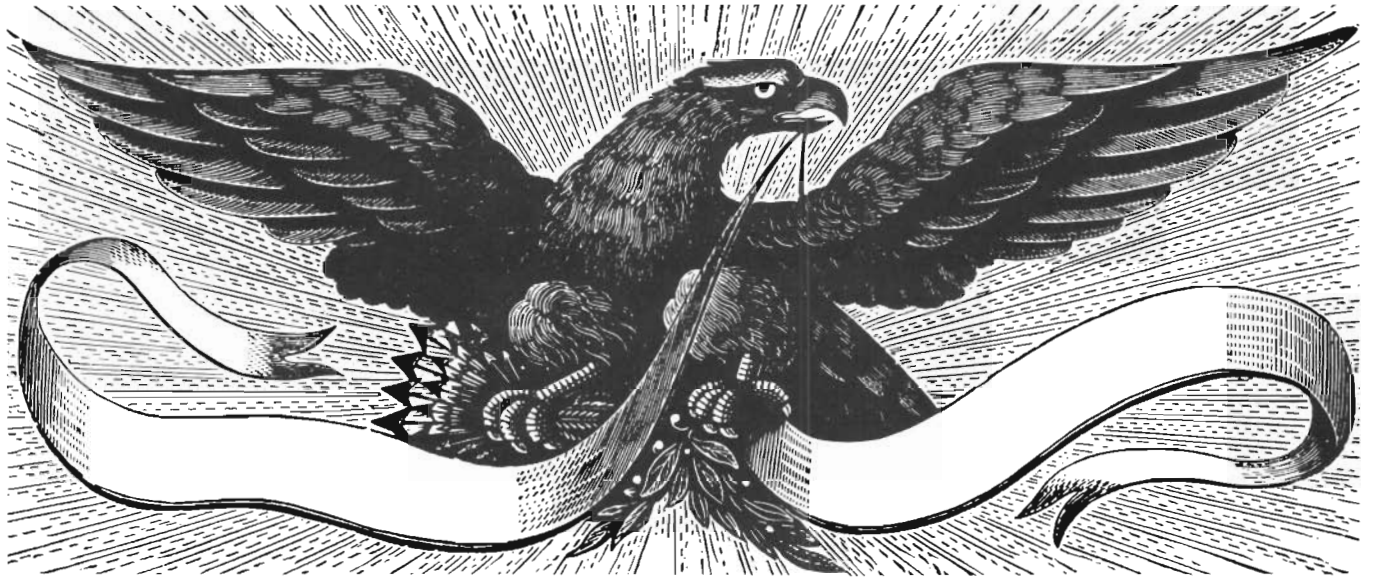

Sports are a way of life at Maplewood. Whether it be from basketball to football, or hockey to Ping-Pong, the guys and gals find a lot of enjoyment from such activities. God desires us to have strong, healthy bodies. Taking part in sports is a fun way to do so. There is also plenty of good sportsmanship, and that's the most important thing.

ORGANIZATIONS

At Maplewood we have clubs, groups, and teams that we call "organizations". At some meetings the members may want to argue the fact about the organized part, but we have programs and parties that always turn out to be fun.

And so another year comes to a close. It's been happy, sad, disappointing, enlightening, but mostly it's been good times with friends. Keep those happy memories forever and as we leave Maplewood, don't let your hopes and dreams be blown away like a dandelion, but hang on to them and believe in them...

...God has a plan for our lives, let Him take over and lead you each step of the way.

Without the freedom of advertising we would not be able to have a yearbook. We want to thank our sponsors for making this 1976 Maple Log possible.

why choose a small adventist college, like union?

Students from all parts of the United States and 20 foreign countries are finding at Union College in Lincoln, Nebraska a quality Christian education and personal attention that allows them to develop as individuals. Union College is not for everyone, but it just might be your school.
