SCHOOL SONG

Music score for "School Song". The score is written for voice and piano. The key signature has one sharp (F#), and the time signature is 4/4. The lyrics are as follows:

We're
Loyal to you Ma-ple wood To the white and the blue we'll be
true With banner in hand, it's the best in the land for
you're real ly grand, Ma-ple wood. Wah! From these halls we
trav el a long And Singing a song
Oh, down through the years we saunter, All the while grow ing fonder
Of dear old Ma-ple wood!

**Many people are
what make a crowd.**

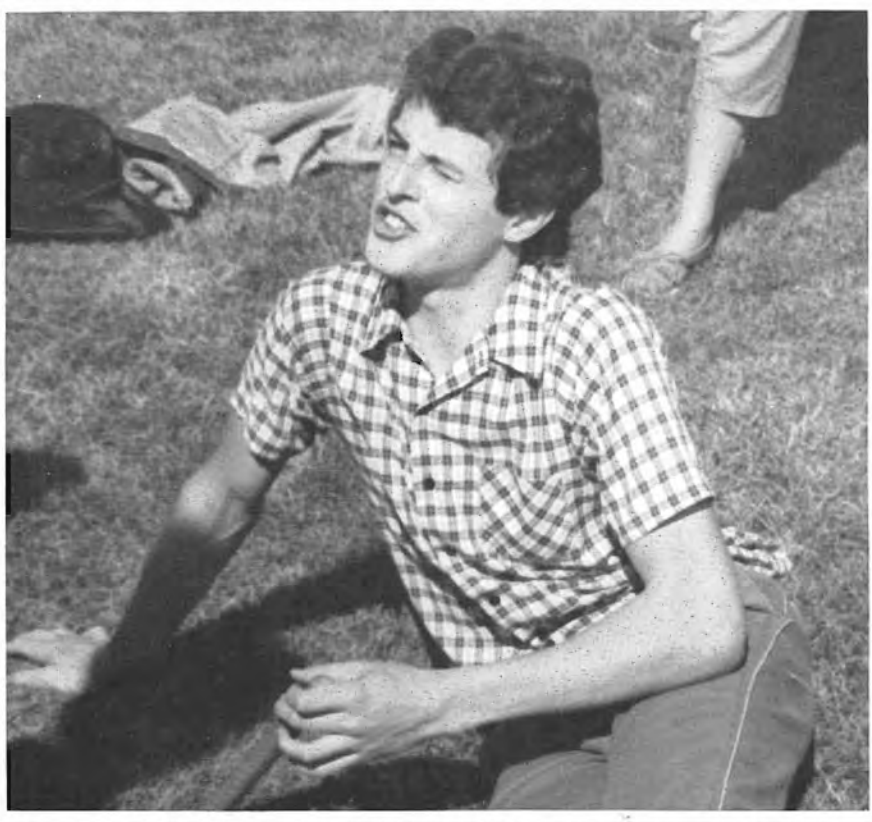

**Many instruments
are what make a band.**

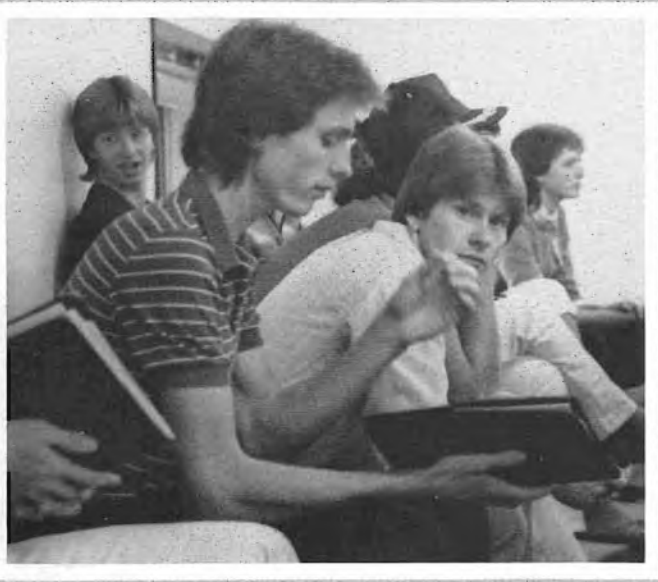

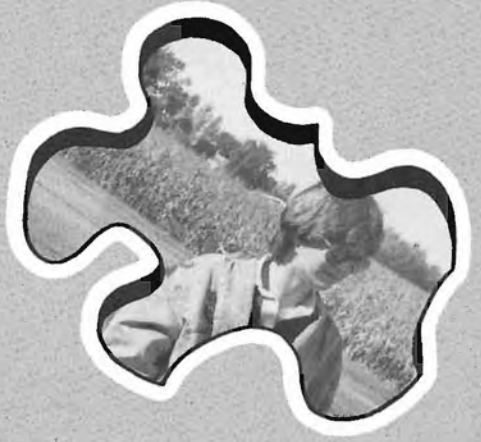

**A puzzle is made
of many pieces
put together**

**We are each
one piece
of a puzzle.**

**That makes Maplewood Academy
the school that it is today.**

Dedication

We want to dedicate this yearbook to you Mr. Swanson, for all the twenty-two years that you've been here. What would we do without your witty personality and friendly smile. You're so supportive in all our activities, and you are always there to cheer the team on. You teach us the differences between toads and frogs, and tell us where the Bahamas are in relationship to Japan, and keep us informed on the current events of our country and government. You have always been willing to help us out and we want you to know that it all pays off in the end. This page is yours Swanie.

1964 — Mr. Swanson assisting students in the lab his first year at Maplewood.

1973 — Swanie serving supper for an ASB activity.

1982 — Mr. Swanson conducting the band.

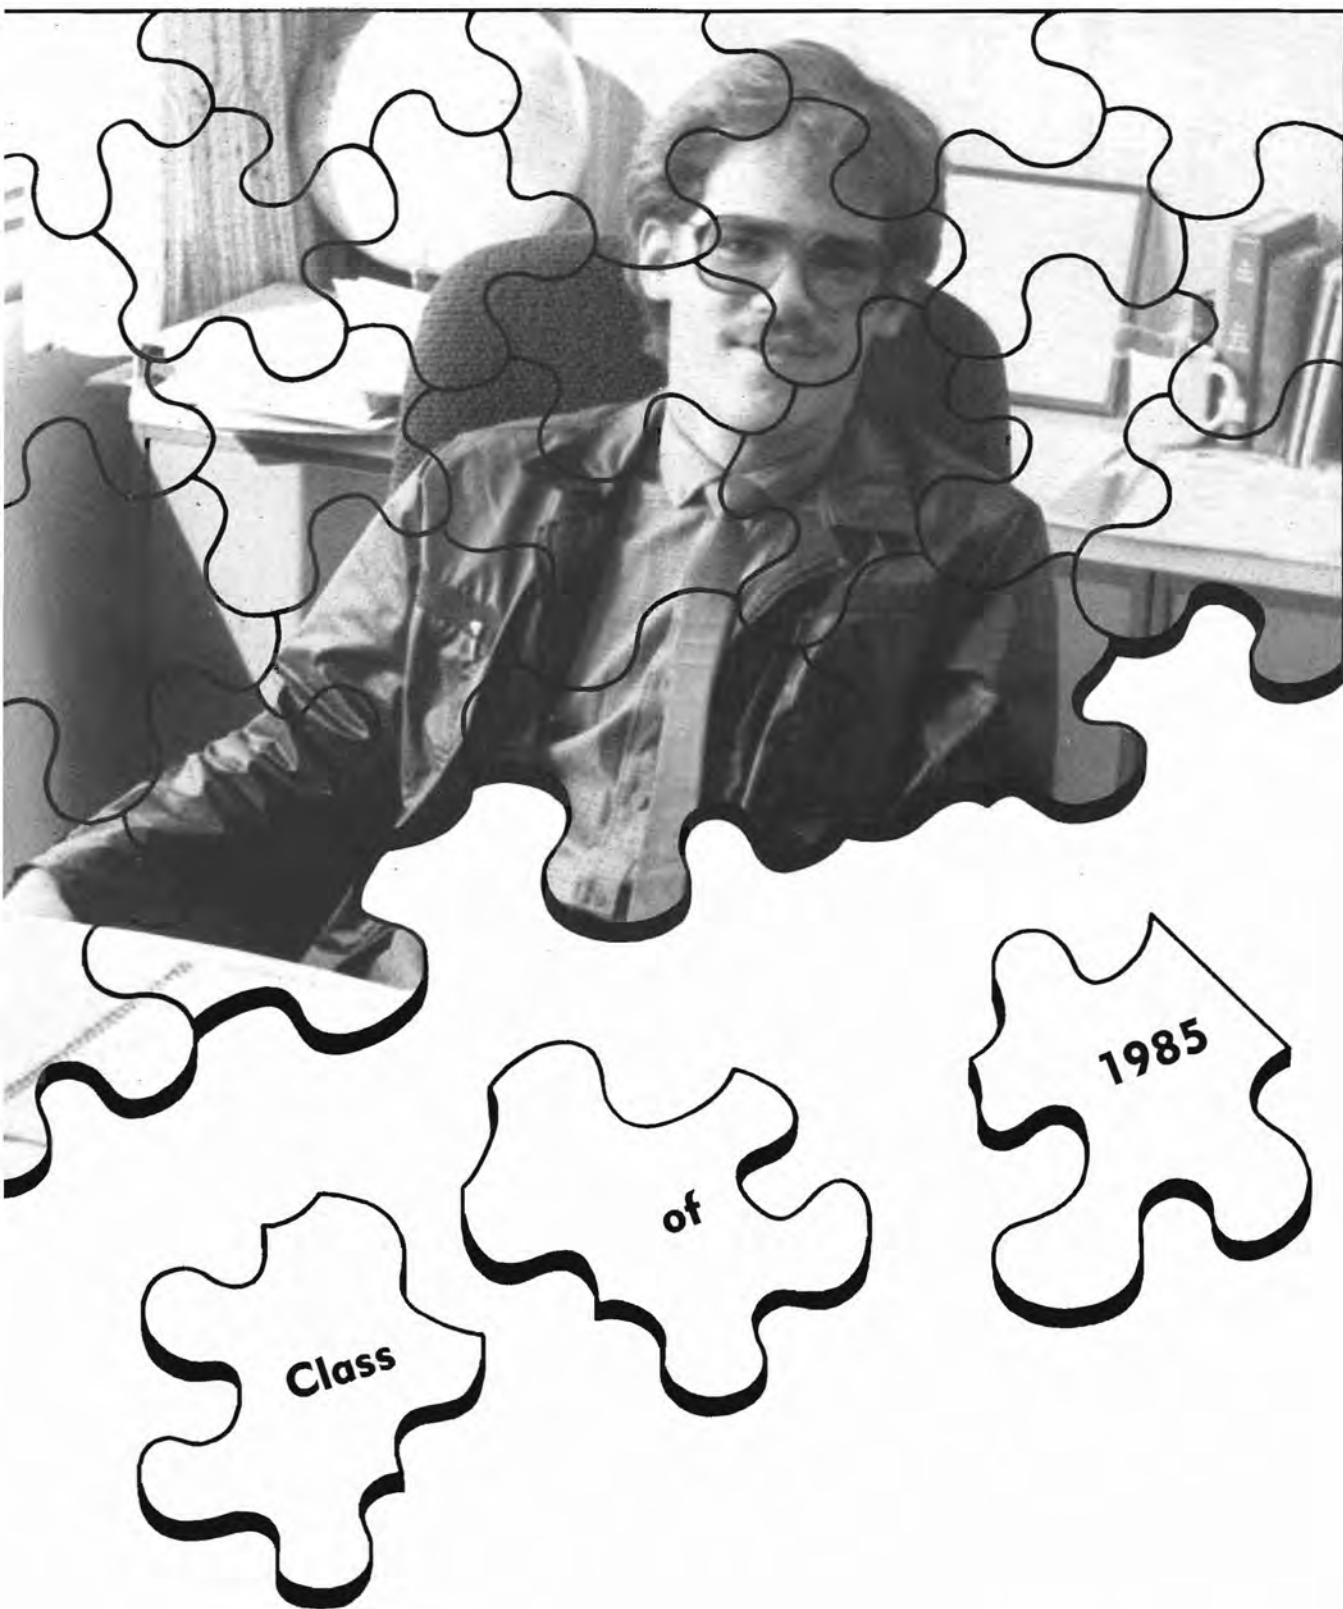

1985 — Swanie and the Mrs. enjoying a game on track and field day.

Principal's Message

Before Jesus left this earth, He gave His disciples the responsibility to spread the gospel to all the world. This gospel commission is still relevant to the followers of Jesus today. Maplewood Academy was founded many years ago to carry out the instructions of Jesus as they apply to modern times. It is the prime function of this school to bring young people to a knowledge of Christ and to train them to carry forward His work. This purpose far outweighs the academic, social, and work experience program of the school. It is the very reason for the existence of Maplewood Academy.

This is it! You've made it! You've added your final pieces to the puzzle. Believe it or not, you made it through all four years. You've made lots of new friends, learned new things, had happy times mixed with the sad times, good times and bad times. You have your memories, and no matter what anybody says, nobody can ever take those memories away from you. Now as you make new plans and goals, we wish you lots of happiness and success.

Juniors

More pieces were added to the puzzle with a new and different class. The junior class and a year of being an upperclassman finally, of knowing you only have one more year to go. You had the ambition to do it and you received the extra privileges with even more to come next year. You've met a lot of new friends, relationships that will last a lifetime. As you begin to make plans for the following year, remember to always take that ambition with you.

Extention Students

Many of us forget about yet another piece of our puzzle — extension students. Faculty

Finally, the last pieces of the puzzle are added by those who make our puzzle complete, our faculty. They are the ones who worked long hard hours to teach us new and different ideas; those that stayed by extra time to help with those hard questions, and those who worked in the offices, making sure our school ran smoothly. And, for all this work we want to say thank you.

Week of Prayer

Spiritual puzzle pieces were added to our puzzle with our fall Week of Prayer. Pastor Benji Leach gave an air of amusement but was able to get across a strong spiritual message. There were talks about priorities and about true friendships. We learned a lot about the true meaning of being a Christian, and about growing in our spiritual lives. Week of Prayer gave us a chance to grow closer to each other and to God.

Who could forget the important puzzle piece of the Maple Leaf and staff. Students, faculty, family, and friends were acquainted with and reminded of activities and events in the life of Maplewood. We all got to know our seniors by the profiles done in the Leaf. The Maple Leaf captured the moments and helped instill those memories in our minds.

Every word, saying, moment, and action, are just a part of what was captured in this book. Many long hours of dedicated work were involved. So many details and calculations were used to make your ideas and imaginative creations work out. Everybody has a special memory of this school year, and all the hard work has paid off. This one's for you!

Music played a big part of the lives of many Maplewood students. Band, Chorale, Choraliers, and private lessons made up the music department this year. The music groups not only preformed for the home church and school, but they put on youth rallies all over the state of Minnesota. A winter and spring music concert was put on including the Choraliers going to a country club to sing Christmas carols.

Mr. Dennis.

Music officers: Richard Scott, treasurer; Lynell LaMountain, vice president; Dan Mecklenburg, pastor; Dave Morrison, president.

The day had come, the puzzle had been opened. New and familiar faces were everywhere. Squeals of delight from friends who hadn't seen each other all summer, filled the ad building. Faculty were everywhere, greeting and helping students register. At night, all the students and faculty gathered in the chapel for handshake. It began with the faculty and then the seniors, juniors, sophomores, and last but not least, the freshmen. Afterwards everyone socialized in the cafeteria over rootbeer floats.

5 Waterskiing was a big event at Lake Independence. 6 Onlookers and participants waiting and watching. 7 Julie Wiener, Dana Ross, Michelle Hockridge, and Steve Christiansen. 8 Howie Huntsman, Mr. Dennis, Toni Hubin, and Dede Mealey.

The day was sunny and warm for the annual school fall picnic. Wednesday, August 29th, the students and faculty loaded up on buses to go to the lake for the day. A variety of activities were open to everyone, from swimming, to water skiing, to volleyball, to football, to water fights, and building sand castles. A large picnic was served for lunch. The day was a big success with nothing more serious than a few sunburn noses.

Christmas Banquet

December 15, 1984 was the night of our Christmas Banquet in the cafe. For a change, it's the faculty that ran around taking orders, as the students lay back and relax. By 7:30 P.M. we were all seated and ready for the evening to start. Several couples had their pictures taken around the Christmas tree, while others waited at their tables under the mistletoe. The evening ended with a film, "A Christmas Without Snow." We all had a good time, and we want to thank all the faculty who made it a success.

1 Craig J., Kim L., Kim J., Reece G. 2 Mr. Knowles is ready to take orders. 3 Bruce, Sonia, & Whitney, all having a good time. 4 Donna & Larry. 5 Everybody deciding what to get for their meal.

The Last Piece

The pieces are all put together. Our puzzle is finished. Here at Maplewood we all are one piece of the puzzle. We are what makes Maplewood Academy what it is today. We all come in different colors, shapes, and sizes. We are each an individual piece. Put us all together, and we make a complete picture. At the close of the year, we all will break apart and go in all directions. Our puzzle will be broken. But others will fill our places. One day our puzzle will again be complete . . . when we meet again!
