For the grace of God that bringeth salvation hath appeared to all men, teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly in this present world; looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ.

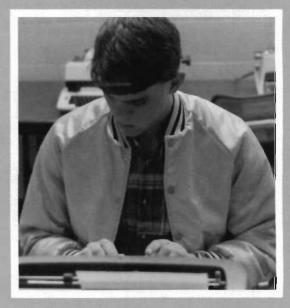

Titus 2:11-13

As we stroll down the halls of Maplewood;

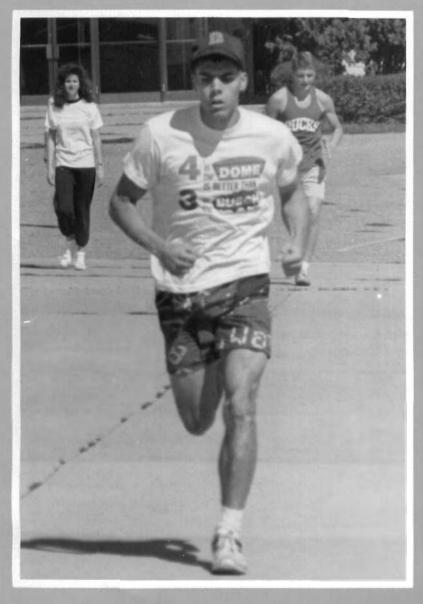

Whether in Bible, English, or Algebra class;

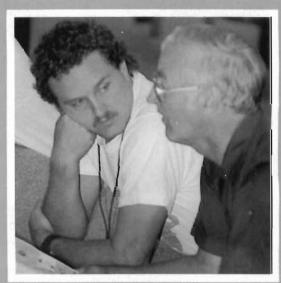

On the ball field, in church, or relaxing with friends;

Our sights are ever on our eternal goal;

As we catch the vision of Christ in 1989!

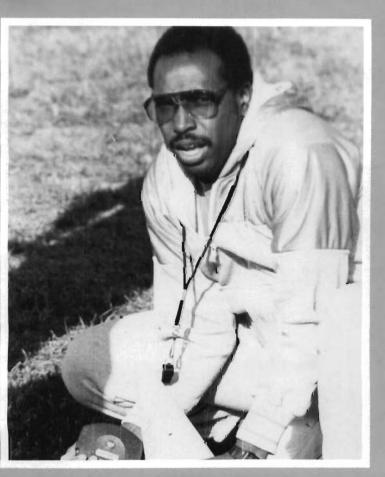

We dedicate this book to:

Aren't they cute?

Another year begins!

Just one of Dean Hicks many jobs.

Who else comes up with some of the funniest looking moves for our gymnastics introductions? Who else puts on some really neat skits, and who else would come all the way from California, where it gets down to maybe 50° in the winter, to Minnesota where it may average 50° below? There's only two people crazy enough to do all of this, and that's you Mr. and Mrs. Hicks. You've added a lot to this school in the three years you've been here, and because of that and so much more, we want to remember you by dedicating this yearbook to you.

Mrs. Hicks enjoying the game.

Signing our lives over to Maplewood.

Ann and Dave sharing a drink.

Nicole giving greetings to Keri.

Debbie anxious for another year.

On August 21, 1988, the Maplewood Academy campus was filled to its capacity with students and their families. New and old students alike were looking forward with anticipation for the upcoming year. There was a lot of excitement in the air with seeing old friends and getting acquainted with new ones. As soon as everyone was settled in the dorms, everyone gathered together in the chapel for handshake, where they met the students and teachers of Maplewood Academy for the year of 1988-1989, who they had not yet had a chance to meet. Root beer floats were a nice treat to end the evening with.

Seniors Have More Junk!

Mike finds a new friend.

Juniors prepare for defeat!

There was excitement in the air as all the classes scattered themselves and their junk to the four corners of the gym. The calls were for a musical instrument, a singing group, a pyramid, Maplewood Academy annual, and lots more, but the most memorable was for an airhead because this was the last year for her reign—who else but Penny Lane. And to the pleasure of the great class of 1989, the seniors still reign as the winners—standing above all the rest.

Is this suppose to be a junior quartet?

Seniors rise to the occasion.

ANOTHER YEAR IS OVER

As we look back over this school year, we find it was a manorable year in history. Few Minnesotans will soon forget the drought and extreme heat of the summer of '88; or the backbiting presidential campaigning which resulted in George Bush being sworn in as our nation's 41st President or the turmoil throughout our world.

We celebrated the centennials of the General Conference session in Minneapolis, of Adventist education in Minnesota, and of the defeat of the first Sunday law in the United States.

It has truly been a year to reflect on, both in the world and the church. The signs all indicate that we are living in the final days of earth's history, and what have we done to prepare for it?

Your Maplelog staff, along with the faculty, earnestly pray that you have caught the vision of Christ in your life this year, and will leave here with a renewed desire to share that vision with those you came in contact with, as we each one prepare for our lord's soon return.

—Deborah D. Smith

FRIENDSHIP

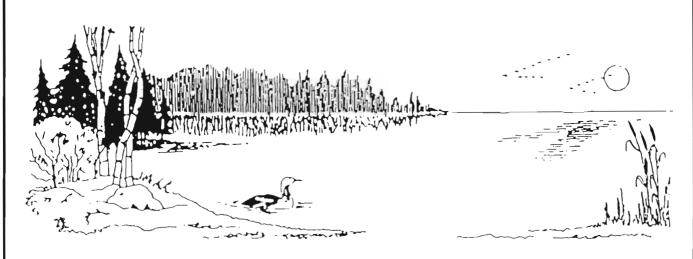

They say the friendships you make at college last a lifetime. It's true. College-life is intense—intense with academic pressure, intense with social decisions, intense with joy. And the people who share these moments with you often retain their special place in your life long after commencement.

Union College—a great place to develop lasting friendships for this life, and eternity.
