

Wednesday Trivia Question:

What Minnesota SDA camp meeting location was on a lovely lake and hosted teepees, a wigwam, a stone chapel and tennis courts?

Trivia Answer:

From 1956 through 1963, Minnesota Camp Meeting was held at Mission Farms Bible Conference Camp on the north shore of beautiful Medicine Lake in Plymouth. The camp still exists today, serving the needs of individuals affected by chemical dependency, violence, chronic illness or disability.

Thanks to Mary (Christenson) Jones for sharing her postcard from Medicine Lake.
