

Friday Trivia Question:

When did the first Minnesota SDA Camp Meeting take place and what was the location chosen??

Trivia Answer:

The first Minnesota Camp Meeting was held September 30 – October 4, 1869 in Wasioja (near Dodge Center). William S. Ingraham, an early Minnesota SDA leader, hosted the camp meeting on his farm. It was held in the fall to accommodate the schedule of James and Ellen White – but it was, predictably, quite chilly! After that Minnesota camp meetings were always held in the summer!
