

Thursday's Trivia Question

Trivia Question:

In what year did James and Ellen White arrive for Minnesota Camp Meeting at 3:00 on Sabbath morning?

Answer:

In 1875, James and Ellen White arrived at Minnesota Camp Meeting at 3:00 Sabbath morning because of multiple railroad track washouts. Rain continued to be a challenge throughout the meetings – this, in addition to a grasshopper plague, demonstrated the hardiness of Minnesotans who endured it all to be at the meetings. The 1875 convocation is also the earliest Minnesota camp meeting that is known to have been photographed.
