**To Our Parents—**  
The love that you have given us and the many sacrifices  
that you have made so that we might have a Christian  
education are deeply appreciated.  
It is our hope that we might be worthy of your  
devotion.  
We, the students of M.J.A. dedicate this yearbook to  
you to say “Thank You.”

## FORWARD

The goal of Minneapolis Junior Academy is not just to provide training for successful living in this world, but of affording an education that will help the individual to live throughout eternity.

We are told that "The greatest want of the world is the want of men -- men who will not be bought or sold, men who in their inmost souls are true and honest, men who do not fear to call sin by its right name, men whose conscience is as true to duty as the needle to the pole, men who will stand for right tho the heavens fall."

Our ideal should be, "Higher than the highest human thought can reach", and it is this goal that every christian educator is trying to help his students achieve. Your parents also must have the same goal or they would not be sacrificing to send you to a christian school.

As you look back over the year you will realize that another school year has gone by which can never be relived. As you look back, can you say that your time was used to the best advantage? Did you avoid yourself of all the opportunities presented to you? I hope, that your goal will be to make each succeeding year a more successful one in the growth of your physical, mental and spiritual powers.

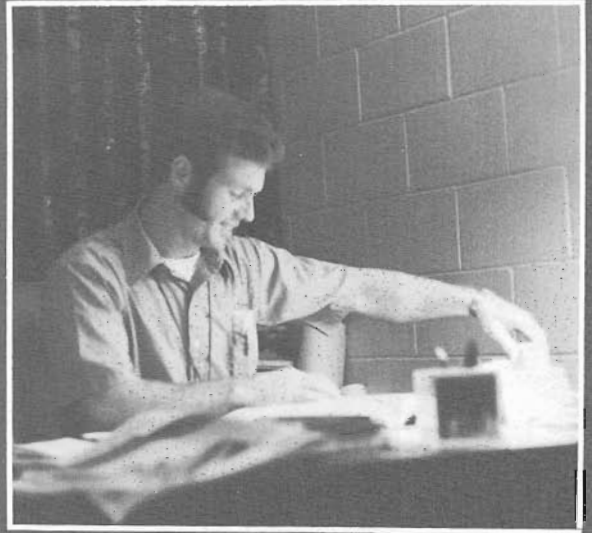

May God bless each one of you as you go your separate ways and may each one of us meet again in a happy reunion in heaven.

## IN APPRECIATION...

We have been privileged to have you both on the teaching staff for many years at Minneapolis Junior Academy. Miss Nelson, you have served here for 24 years. Mrs. Odegard, your length of service has been 20 years.

Your Christian influence and fine teaching have given us a good start in life. You have blended the knowledge we must acquire for classes with the love of God.
