At some time we are all given a chance to represent our school. Sometimes we fail but other times we do our best and others can see our school spirit in us. Thank you Alane, Sheri and Sue for showing to others what we, the student body, are like. Even though you didn't win, you didn't lose. Instead you shared part of yourself with others, and because of that, we all won.

RETROSPECT

It's been a great year.

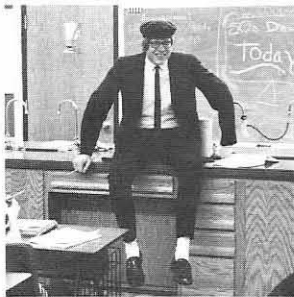

No kidding.

I've had fun!

Me too!

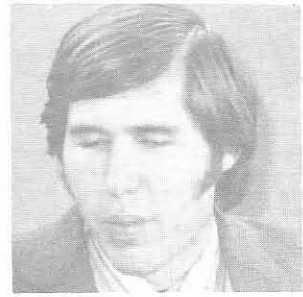

I will take my hat off to that.

A good year?

According to who?

Blah!

Don't ask me.

We have studied together...

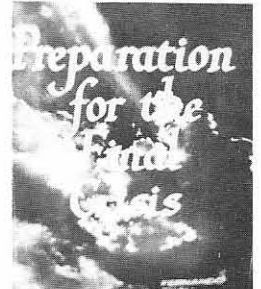

Very stimulating material.

And played together....

Until we were pooped!

Our goal - together - HEAVEN!
