PRINCIPALS MESSAGE

Minneapolis Junior Academy is proud to have had each one of you as a student this year. In each of you are gifts and talents whom God holds us in strict account. The physician Luke, recognizing the ultimate accountability of man, recorded these words of Jesus: "Unto whomsoever much is given, of him shall be much required."

Today, our troubled world needs men and women who are striving to be restored in God's image. Only those with this commitment can know the inner peace that comes when talents are used wisely to bless others. "He who refuses to impart that which he has received will at last find that he has nothing to give."

The following pages reflect happy and memorable experiences we shared in making Minneapolis Junior Academy 1980 - 81 a school for God.
