# IN DEDICATION

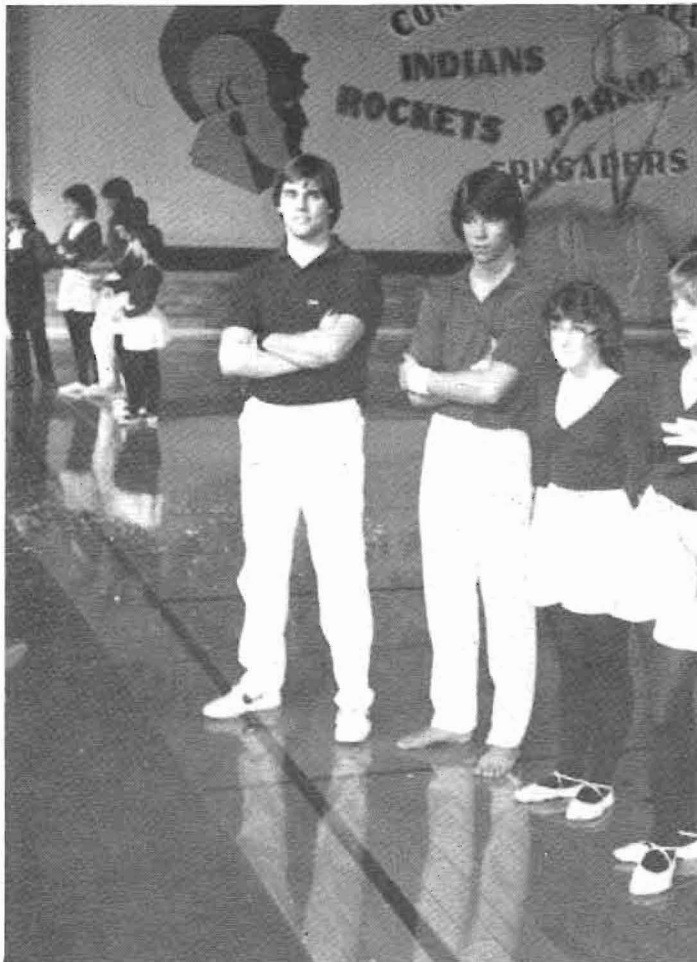

The students and staff of Minneapolis Junior Academy would like to dedicate the 1983-1984 yearbook to Tim and Sylvianne Bradley, whose presence and Christian example has greatly benefited our school family over the past years.

August of 1981 marked the beginning of their calling here at MJA. Since then we have seen the results of their many accomplishments.

Sylvianne, the Home Economics teacher, has brought many learning opportunities to the students, ranging from auto mechanics (with the help of Mr. Antisdel), to cake decorating and bargain buying. We all have benefited from her teaching. She is also the assistant coach of gymnastics and drama.

Tim has many different duties at out school. Besides teaching Bible and physical education, he also coaches gymnastics and drama. Minneapolis Outreach Productions, a combination of gymnastic, drama, and Gospel films, is directed by Tim.

For your support, advice, teaching, and especially the friendship you have given to us, we want to say, "Thank you."

Tim Bradley

## Principals's Message

Does anyone care? Have you heard your student ask this question? Maybe not vocally, but perhaps in his or her actions. Is your home, your church, and your community so uncaring that it fails to respond to the question? God does have a plan for all his children. He places them in our charge to guide and influence them for "good". If they fail, we fail. There are very few tomorrows left in this world. We dare not shrug our duty any longer. Christ will come. Will He find His children in the "fold"? My prayer is that all who have the primary responsibility for shaping the future of our youth will be about the Lord's business NOW -- and welcome His return with joy TODAY! The future of Minneapolis Junior Academy is in your hands. What will your answer be?
